21-039279 4/16/2021 11:59:00PM 23H Other Theft/Non-Specific 975 E 3rd St

On 04/19/2021 at 21:42 hours, Officer M. Braisted #429 (75375) received a report of a theft at Erlanger Main Hospital at 975 E 3rd St, Room 3019. Upon arrival I made contact with Carl Long who had been admitted to the hospital and wished to report a theft. He stated that on Friday April 16, 2021 at approximately 1700 his sister Ruth Davis had brought him \$3500 cash in a bank envelope as she had been tending to his home expenses while he was in the hospital, per his request. His ex-girlfriend Tracy Zamora had asked for \$1250 to pay Loanmax Title Loans (Brainerd Rd) to keep her car which she pawned, from being sold. Mr. Long had originally bought the 2008 Mazda 3 (unknown registration) for Ms. Zamora and agreed to give her the \$1250. At approximately 2300 on April 16, Mr. Long's nephew, Larry Ring was present in the hospital room when Ms. Zamora came in. She was argumentative and was refusing to leave when Mr. Long asked her to. He told her "take your money and leave" to which she said "I need more money than that" and took \$3500 which was laid out on the bedside table and left. He stated Mr. Ring had witnessed this. When asked why Ms. Zamora was argumentative, he said she was mad that he had given Mr. Ring money. At this time he added that he had given Mr. Ring \$100 from the bank envelope. I again asked Mr. Long how much money was in the bank envelope Ms. Davis had brought him and he stated it was \$3700. When asked about the unaccounted \$100 he added that he had given it to Ms. Davis and asked her to deposit it into his savings account.

On April 19, 2021 Mr. Long had called Loanmax to find out if the payment had been made on the car. He was told by the manager that the payment had not been made and the car had been subsequently sold.

I spoke with the nurse on shift who said that she had worked the night of the incident but did not have specific knowledge of it. She pulled up the nurses log from that evening which the Registered Nurse Melanie Walker had made notes at documenting that Mr. Long had "willfully given Tracy \$3500" and had then called for police at 0430 to report a theft of the money. I attempted to call Mr. Ring for a statement and left a voice mail message to contact the non-emergency number which I provided. I attempted to call Ms. Davis for a statement and the phone number provided was out of service. Mr. Long could not provide more accurate contact or identifying information for the parties involved.

The theft of \$3500 is unfounded due to the computer written notes in the nurses log documenting the willful transfer of \$3500 and inconsistent recorded victim statements on separate calls for service to address the same theft.
