They all talked about the check and the party that cashed it and they had no idea who the party was.

All the members of the staff stated that they had no idea who the party on the check was (Toney Barker). After all members stated that they did not know the party they decided to contact police.

They stated that they wanted to meet police at the Regions bank on Gunbarrel because that was where the check was cashed per their conversation with Regions bank.

I attempted to speak with the bank and they stated that would need a subpoena to access any of the records and or other information on the check that was cashed. They did confirm that the check was cashed at 1633 hours at their location. They also stated that on that day there were 2 people in the vehicle and the other party had to sign the check to get it cashed since they had an account with the bank.

Mr. Campbell was able to present a copy of the check for police records. On the check were 2 different signatures one I was able to make out to a Mr. Toney Barker and the other was to a possible Kelli party. He also stated that the staff at Mountain View Property management would most likely want to press charges if they were caught.

At this time, I will have to provide Regions bank a subpoena for the records to verify who was at the bank, to be able to further investigate the incident. No further at this time.

21-080516 7/28/2021 5:00:00PM 240 MVT/Passenger Vehicle 7740 Holiday Hills Cir

On 07/30/2021 at 22:00 hours, Officer Gerity, Matthew (78344) responded to a delayed MVT/Passenger Vehicle at 7740 Holiday Hills Cir. Mrs. Horton, Amanda (victim/wife) stated that she believes that a Ms. Slater, Chlyamesha (suspect), based on pictures and video footage (not seen by police due to over the phone interaction) has her husbands vehicle. Mrs. Horton stated that because she and Mr. Horton, Samuel are still legally married she retains the right to declare his vehicle as "stolen" by the above suspect due to it being "her property" as well. It appears that on 07282021 case 21-078868 Mr. Horton was arrested and transported on unrelated charges. His vehicle was left at the above address (his) possibly being related to that case on sustained damages.

Mrs. Horton stated that later on that very day Ms. Slater returned to that address, went through the vehicle and due to the fact she had an extra key was able to take possession of the white in color, four door, Chevy Crown Victoria Georgia Drive out tag S0880431. Mrs. Horton then stated that the vehicle could possibly be found at 4700 Montview Dr. Chattanooga TN at the suspects residence. Mrs. Horton has not had possession of his vehicle nor does she even have a key or ever had a key based on our conversation. Mrs. Horton also stated there is a TPO between she and the suspect therefore she DID NOT want to go to the address to recover the vehicle. I agreed that she should wait pending on the outcome of this investigation pertaining to this vehicle.

Based on the fact that the vehicle was in and has always been the husbands possession it is unknown if the vehicle was lent to the supposed suspect. I have not been able to make contact with the husband due to the fact that he is in Silverdale pending unrelated charges. I will reach out to auto crimes and verify if the vehicle can be documented as "stolen" and if the vehicle MUST be verified if that the husband "lent" the vehicle to the supposed suspect. At this time the vehicle will not be considered stolen and placed into NCIC.

I will follow up with a continuation based on Auto Crimes outcome.
