19-103557 10/13/2019 2:51:00AM 91Z Field Interview 600 Cherokee Blvd

On 10/13/2019 at 02:51 hours, Officer W. Curvin (61435) reported a memo at 600 Cherokee Blvd. I initiated a traffic stop at 600 Cherokee Blvd. Driver, Anne Lowe, had been drinking. I had her perform a couple of the field sobriety tests. The result led me to believe she was impaired. I detained her and put her in the back of my car. I allowed her to call a friend to get her car. I talked with her for a bit and decided that she was not overly intoxicated but was to impaired to drive. She had no history and was gainfully employed. I decided that it would serve the community and Anne better to let her friend drive her home. This would prevent her from having a record and she would stay employed. I believe the experience will keep her from drinking and driving again.
