Distinguished Budget Presentation Award

PRESENTED TO

City of Chattanooga

Tennessee

For the Fiscal Year Beginning

July 1, 2017

Christophen P. Morrill

Executive Director

For over twenty years, the City of Chattanooga has received the Distinguished Budget Presentation Award. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communication device. The award is valid for a period of one year only. We believe our 2019 budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

INTRODUCTION

Dury W. Madison

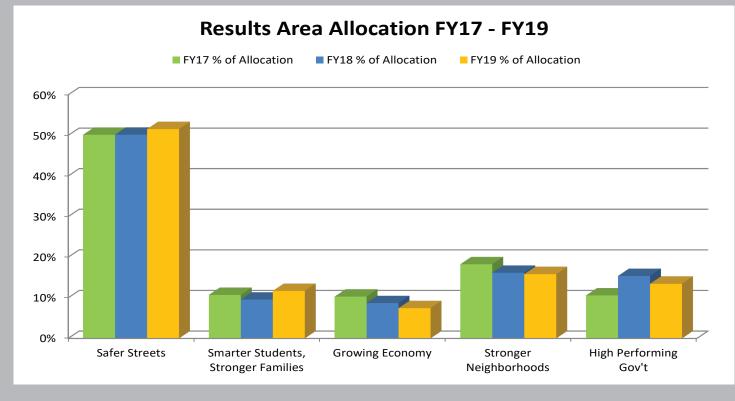

Daisy W. Madison, CPA, CGFM City Finance Officer

To the Honorable Mayor Andy Berke, Members of City Council, and the Citizens of Chattanooga , Tennessee

Our focus, using the Budgeting for Outcome process, continues to be a collaboration of ideas, plans, and programs best for the City in the areas of safer streets, stronger neighborhoods, a growing economy, smarter students & stronger families, and high performing government. Use of these methods provide our citizens with better accountability as well as increase department monitoring of performance.

Presented is the adopted Operating Budget and Capital Improvement Plan for the Fiscal Year Ending June 30, 2019. The budget is the single most important document presented by the Mayor and adopted by City Council. It establishes the strategic plan for the upcoming fiscal year. The budget is built on conservative financial principles that reflect citizen priorities while ensuring long term sustainabiliy and fiscal stability. It captures the growth in our local and state economy while maintaining a tax rate of \$2.277 that is 3 cents less than the previous year.

Budgeting for Outcomes, which has been named a "recommended practice" by the Government Finance Officers Association (GFOA), starts with what the results citizens want from their City government and works to align those priorities with the budget decision-making process. Budgeted results area allocation each year is based on priorities & values, available funding, community engagement & input, and therefore will fluctuate.

Budgeting for Outcomes

The process that better aligns spending with outcomes. Key elements include: Emphasis on citizens priorities; Primary focus on desired outcomes; Ranking funding proposals that best achieve results that matter to citizens using result teams; Alignment of resources using citizens priorities; and Comprehensive data-driven performance metrics.

The Budgeting for Outcomes approach has been an invaluable tool used by the City for the budget process because it is based on collaboration, transparency, and delivering the services that matter most to citizens.

Budgeting For Outcomes (BFO) starts with a set of results and requires City administrators and agencies to work collaboratively to achieve the outcomes in a cost-effective and efficient manner. Rather than submitting departmentwide proposals focused on total expenditures, departments and agencies submit "offers" to explain how they can achieve the best results that matter to citizens for the lowest cost and explain what performance measures they will use to demonstrate success. Budgeting for Outcomes, which has been named a "recommended practice" by the Government Finance Officers Association (GFOA), starts with the results citizens want from their City government and works to align those priorities with the budget decision-making process. The BFO process focuses on services the public receives, how much it costs, and how outcomes will be measured. The results allocation is broken down by offers funded by general fund.

The BFO process focuses on services the public receives

This budget reflects a government relentlessly focused on the priorities of its residents: safer streets, stronger neighborhoods, a growing economy, smarter students & stronger families, and a high performing government. These priorities have been elevated with an eye toward effectiveness. Through this budgeting approach, each dollar must be justified based on how it delivers results to constituents.

The following summary by priority is presented:

This budget builds upon the investments the City has made over the last few years, including

allocating funds to implement innovative and effective policing strategies, increased technology to support the work of our officers, prevention programs for our young people, and high-quality emergency response.

Safer Streets 52%

RESULTS AREA SUMMARY

Safer Streets support neighborhoods, the wellbeing of our youth, and the health of all of our community's citizens. The Safer Streets results area funds important public safety initiatives and technology that keep guns out of the hands of violent criminals, increase investigation of crimes, and decrease family violence in Chattanooga. The security of our community is not only impacted by the crimes police officers investigate but also by the programs and organizations that are focused on prevention and awareness. Safer Streets funds services, programs, and policies that protect life, property, and community resources in the most effective manner to improve the outcomes of all Chattanoogans.

Total funded: \$135,191,472 Total number of offers funded: 34

KEY STRATEGIES

Combine modern technology with motivated, goal oriented CPD investigators to ensure a lasting positive effect in neighborhoods impacted by violence

Use intelligence-led policing and focused deterrence principles to work in a more timely, effective, succesful manner

Increase trust and respect among victims of crimes and their families through police chaplains

Increase investigators responsiveness to victims of violent crimes and be proactive in confronting and reducing incidents or organized crime

Ensure streetlights and traffic signals are working efficiently and maintained to allow walkable neighborhoods and controlled intersections for traffic

Effectively investigate crimes involving property crimes and family crimes

Support educational awareness and prevention programs

Coordinated services to respond to child abuse as quickly as possible, providing community outreach to at-risk juveniles who may have been violated, and providing tailored, traumafocused therapy to child victims

Provide housing and supportive services needed to help end homelessness

Support training, workforce development, transitional employment and mentoring for ex-offenders

Increase access to a diverse array of co-located services for those experiencing intimate partner violence, elder abuse, or human trafficking

Protect life, property and community resources through prevention, preparation, response, and mitigation.

Growing Economy 7%

RESULTS AREA SUMMARY

Chattanooga's economy is improving, and now is the time to continue our progress. The Growing Economy results area is all about making the best use of our resources and breaking down the barriers that keep Chattanoogans from reaching prosperity - at work, home, or as a small business owner. Through these offers, the City is developing and managing programs, projects, and policies that support infrastructure, produce housing and jobs, and deliver crucial social services to meet the needs of citizens in all of Chattanooga's neighborhoods.

Total funded: \$19,514,412 Total number of offers funded: 23

KEY STRATEGIES

Manage ongoing maintenance of the street assets, including major repaving and resurfacing projects

Provide alternative transportation options to existing

BFO Starts with a set of priorities and requires City Administrators to work collaboratively to achieve outcomes.

workers at Enterprise South and opportunities for employment for those who are currently unemployed

Support the development, growth, and success of minority, women, and veteran owned businesses in Chattanooga

Provide services that protect human health and safety, including air monitoring services

Pursue opportunities to make brownfield sites viable for future residential, commercial or light industrial development

Develop and manage programs, projects, and policies that impact the lives of citizens in the areas of housing, jobs, safety, and social services

Produce structures that are healthy and safe, while also adding long-lasting value to our built environment

Expand job opportunities for adults with disabilities within the competitive labor market

Boost job skills and employment opportunities to help ensure the lowest income Chattanoogans can benefit from the area's growing economy

Provide planning services which include community/land use planning, transportation projects and review private development for transportation needs such as access, pedestrian infrastructure, new streets, and parking

Establish funding opportunities that give entrepreneurs who are traditionally excluded by lending institutions access to zero interest loans

Ensure a continuous pipeline of quality Chattanooga talent that can be matched to open jobs with local employers

Stronger Neighborhoods 16%

RESULTS AREA SUMMARY

When Chattanooga's neighborhoods are flourishing, our community wins. The Stronger Neighborhoods results area focuses on empowering citizens and community leaders to take ownership of the preservation, progress, and prosperity of where they live. Through increasing afforable housing, creating new units, and planning and developing parks and greenways, the City is supporting initiatives and policies that contribute to the health, safety, and welfare of Chattanooga. Whether its providing essential services like recycling and garbage collection, transportation options for all Chattanoogans, or public art that reflects our culture and identity, the City is supporting the growth of strong communities. We are building a stronger Chattanooga together through investing in neighborhoods.

Total funded: \$41,487,754 Total number of offers funded: 21

KEY STRATEGIES

Increase affordable housing stock through creating new housing units and preserve exiting affordable housing

Increase use of all public transportation within the City of Chattanooga

Effectively use income generated through loan servicing to invest in affordable housing

Provide multiple options for transit dependent riders and visitors

Ensure continued garbage and recycling collection and street and tree maintenance of high traffic areas

Support community revitalization and affordable housing

Protect public health, safety, and welfare by enforcing codes related to minimum housing standards

Strengthen Chattanooga neighborhoods by fostering community partnerships, cultivating neighborhood leadership, identifying revitalization opportunities, and spearheading activities that reduce blight

Expand planning and developing of the parks and greenway system, ensuring a long term view and community engagement

Support work with low income residents to reduce their energy bills and promote economic mobility

Provide curbside garbage, recycle, brush, and bulky trash collection as well as household hazardous waste, recycling, refuse, and wood collection at centers

Help homeless veterans and chronically homeless secure permanent housing in the Chattanooga area

Reflect the unique culture and identity of the city and its neighborhoods through public art and creative placemaking

Smarter Students and Stronger Families 12%

RESULTS AREA SUMMARY

Chattanooga thrives when families are supported in their daily lives and students are set up for success. The Smarter Students, Stronger Families results area funds the programs, policies, and initiatives that help remove obstacles to leading the best life possible. That means investing in early childhood education and services for children and adults with disabilities as well as improving the outcomes for citizens who experienced childhood violence or are facing abuse. When the City equips youth and families with the resources to succeed, we are ensuring productive citizens have access to opportunities to change their outcomes. Total funded: \$30,565,525 Total number of offers funded: 45

KEY STRATEGIES Increase access to interventional services for children and adults with hearing impairments

Ensure that the earliest health, safety, and developmental needs of babies are met

Equip students and their families with the resources to become productive citizens

Provide access to technology, programs, and materials at the Library which serves as a location for community meetings, job skills training, and classroom instruction

Increase use of the zoo through inspiring and engaging specific Chattanooga citizens

Serve those affected by child abuse or neglect by offering help, hope, and healing

Provide evidence based clinical interventions to improve the outcomes for people who experienced childhood violence

Eliminate barriers, increase access to available resources and provide direction for Chattanooga's Latino community

Improve early learning outcomes for 0-5 year olds in Chattanooga so that every child has the foundation for a bright future

Preserve African American culture and provide cultural education programs that celebrate, enhance, and embrace cultural diversity in our community

Provide quality programs and services aimed at educational enrichment, leadership, character development, career exploration, health, fitness, sports, aquatics, therapeutic, culture, and the arts

High Performing Government 13%

RESULTS AREA SUMMARY

A high performing government matches the priorities of citizens in delivering crucial services in the most efficient and effective manner, while increasing access to City of Chattanooga divisions and departments to help citizens live the best life possible. The High Performing Government results area ensures timely and accurate financial reporting, storage and retention of public records, and optimal use of limited resources. By promoting transparency and accountability in all operations, the City provides citizens with the best service possible while increasing quality of life in Chattanooga.

Total funded: \$35,260,837 Total number of offers funded: 28

KEY STRATEGIES Meet outstanding healthcare and pension obligations

Improve the 311 Call Center to decrease wait time, provide better training, and ensure excellent customer service

Create better access to City of Chattanooga services for citizens living with disabilities

Ensure that implementation of capital projects move forward.

Enhance the civic environment through public art and enrich the lives of visitors and residents

Strengthen City Council Operations through focused goals and support of strategies to make Chattanooga a better place for everyone

Improve efficiencies in court docket and work toward eliminating unnecessary paper in courtroom processes

Promote transparency and accountability by providing independent and objective evaluation of the performance of various operations in the City

Support cultural, educational, and artistic excellence and foster research and education of African and African American heritage

Save on utility costs allowing taxpayer dollars to be spent on beneficial programs as well as increase city employee job performance and satisfaction

Provide citizens with the best service possible and strive to make each citizen feel valued by ensuring efficient and effective service

Financial Highlights

The current tax rate of \$2.277 per \$100 of assessed valuation is maintained. However, overall assessments and property tax collections are up 2.7% from last year's budget, along with positive retail consumer spending, state sales tax, and the local option sales tax collections. Gross receipt taxes are estimated to slightly grow at a 2% rate in the FY2019 budget.

Estimated revenues, excluding other financing sources for all appropriated funds, total \$511,191,059 an increase of \$26 million or 5% over the previous year. The increases in taxes, charges for services, intergovernmental, interest earning, and miscellaneous all contribute to this average of 11.5% increase over FY18. There was no increase in the proposed 2019 tax rate. Capturing the growth in property taxes while reducing the rate, the rate remains at \$2.277 which is over 3 cents less than 2017 budgeted rate of \$2.309. While this adjusts the assessor's certified rate of \$2.05, the tax rate in FY 2018 and 2019 will be lower than in any year since 1958 except one. Homeowners whose property values increased by less than 1.4% will pay \$8.00 less than they were paying in 2017 or two years ago.

Other financing sources of \$185 million include \$87.3 million in transfers from governmental funds (\$65.9 million), proprietary (\$20.6 million), and internal service (\$800,000); \$41.6 million from fund balance of governmental funds (\$23.6 million), proprietary (\$13 million) and internal service (\$5 million); and \$56.3 million bond proceeds for governmental funds (\$7.3 million), and State Revolving Loans (\$49 million) for proprietary funds a change from the \$4.3 million in FY 2018.

Appropriations, excluding other financing uses are \$623,426,886, a \$35 million or 6% increase over the FY18 budget. Special Revenue and Capital Project Fund showed a marked increase over 29%. These increase are due to an growth in infrastructure projects being funded by paygo capital from General Fund and an expansion in the number of proprietary capital projects scheduled for consent decree requirements. The reduction in Internal Service is a net result of reductions in Fleet Services (\$943K) and Liability insurance (\$1.2M) offset by an increase in Health & Wellness (\$1.2M).

General Fund - The City's Undesignated General Fund accounts for all resources related to the general operations of city government that are not accounted elsewhere. The total appropriation for FY19 budget is \$273,552,000 including transfers of \$37,371,146, a \$736,266 or 1.93% decrease over FY18 budget. Salaries and fringes increased by \$7.7 million or 5.46% which is due primarily to a civilian employee increase of an average 2.5%, includes a \$2.1 million increase in fire & police pension; \$817,553 in other post employment benefits, and \$1.2 million in hospitalization.

The FY19 budget includes \$2,124,852 in pay-go capital, while last year had \$4,957,569.

Special Revenue Funds - The City's Special Revenue Funds are set by City resolution to account for funds that are restricted as to use. Special Revenue Funds itemized in the budget ordinance include State Street Aid, Social Services, Narcotics, Economic Development, Community Development, Hotel/Motel Tax and Automated Traffic Enforcement. Funding for all other designated funds are authorized by ordinance and restricted as to use. The 2019 budget for the Special Revenue Funds totals \$63,105,437. The Economic Development Fund accounts for \$0.25 of the City's share of the local option sales tax. These funds are earmarked to pay long term lease rental payments to fund the debt service for revenue bonds issued by the Chattanooga Downtown Redevelopment Corporation and other economic development initiatives. The Community Development Fund is used to account for Community Development Block Grants and other projects funded by the Federal Housing and Urban Development Programs.

Debt Service Fund - The City is authorized to finance capital improvements through various financing instruments, including but not limited to, general obligation bonds, revenue bonds, loan agreements and capital leases. The

City Council may authorize the issuance of tax-supported bonds by a simple majority vote, with notification of the action published in local newspapers. Unless 10 percent of the qualified voters protest the issuance by petition within 20 days of notification, the bonds may be issued as proposed. Both principal and interest on general obligation bonds are payable from ad valorem taxes which may be levied by the City Council subject to a legal debt limit of 10 percent of assessed valuation of property. Revenue bonds may be issued for various enterprise operations.

The City anticipates issuing debt not to exceed \$56.3 million to fund the FY19 Capital Budget, including \$7.3 million of GO bonds and \$49 million state revolving loans which is self-supporting debt paid through Interceptor Sewer System revenues.

Capital Project Funds - These funds are used to account for the financial resources for the acquisition or construction of major capital projects. The approved Capital Budget for the 2019 fiscal year is \$150,358,657 of which \$60,971,157 will be applied to General Government projects, \$83,762,500 to sewer infrastructure, \$1,000,000 to Solid Waste, and \$4,625,000 to Water Quality improvements. This is a \$23,272,463 or 18.3% increase over last year's approved budget of \$127,086,194. The current capital included \$21 million for Transportation, \$18.4 million in public works projects and \$5.4 million in general government.

Enterprise Funds - The City maintains six enterprise operations as part of the primary government. These funds are used to account for entities that are financed and operated in a manner similar to a private business. User fees are charged to produce revenues sufficient to provide for debt service, operating expenses and adequate working capital. Combined Enterprise Funds' net position at June 30, 2018, excluding EPB, was \$451.2 million. A brief discussion of the major operations follows:

The Electric Power Board is not presented because it is a separate administrative agency of the government, having exclusive control and management of the Electric Distribution System. It is the sole distributor of electric power within the boundaries of the City and County (600 square miles). It accounts for 85% of total Enterprise Fund operating revenues and reported net position of \$369,500,000 million for fiscal year 2017. At the time of publication, the FY18 preliminary unaudited numbers for EPB are not available.

The Interceptor Sewer Fund accounts for sanitary sewer services provided to the residents of the City and to portions of Northwest Georgia. The fund's revenues are derived primarily from user fees and investment earnings. The strong growth in the City and increased federal mandates have necessitated ongoing expansion of the Interceptor Sewer System. Their total assets account for almost 81% of total Enterprise Fund assets, excluding the Electric Power Board; the unaudited net position at June 30, 2018 was \$362.6 million. Total approved budget for FY2019 including Debt Service and Capital is \$96,850,000, of which \$51,324,938 is for operations.

The Solid Waste Fund was established in accordance with state mandate to account for the operations of the City's landfill. The FY 2019 budget including capital is \$5,878,200. Landfill fees are charged to commercial customers for use of the landfill, while the cost of the City landfill needs are funded by the General Fund. A new cell is in its 6th year of operation. At June 30, 2018, the fund had an unaudited net position of \$9.4 million.

The Water Quality Management Fund accounts for the operations of the City's water quality management program as mandated by the Environmental Protection Agency and the state. Since the inception of this program in 1994, the investment in property, plant, and equipment has grown to a net position of \$73.6 million at year ending June 30, 2018. The 2019 budget including capital is \$22,458,635.

The Chattanooga Downtown Redevelopment Corporation (CDRC), accounts for the operations of a facility funded by lease-rental revenue bonds in the Tourist Development Zone, comprising more than 631,210 square feet at a cost of over \$120 million. Facilities include (1) the Chattanoogan conference center, (2) parking garage, (3) the Development Resource Center, and (4) an expansion of the Chattanooga-Hamilton County Convention and Trade Center. The lease provides for semi-annual payments in amounts sufficient to meet the annual debt service requirements on \$129 million in revenue bonds issued by the Industrial Development Board of the City of Chattanooga on behalf of the CDRC, a non-profit corporation. The IDB bonds are secured by payments to be made by the CDRC. The lease payments are funded by the City's share (.25%) of the 0.5% increase in the county-wide sales tax passed by county-wide referendum, income from the Chattanoogan, state incremental sales tax generated in the Tourist Development Zone and interest income from a debt service reserve fund in excess of \$9 million included as part of the bond issue. In the event these sources are insufficient, the City agreed to appropriate sufficient monies from other sources to make the lease payments. The net position June 30, 2018 is \$5.7 million. The outstanding debt at June 30, 2018 is \$90,930,000.

The Tennessee Valley Regional Communications System (TVRCS) accounts for the operations, management, and maintenance of the regional communications system. The TVRCS is a jointly funded Interoperable Public Safety

communication system made up of partners from the City of Chattanooga, fourteen (14) counties in Tennessee & Georgia and the State of Tennessee. The FY 2019 budget is \$1,431,536.

Internal Service Funds - The City maintains three Internal Service Funds - Municipal Fleet Services Fund, Liability Insurance Fund, and the Health & Wellness Fund. Internal Service Funds provide goods or services for a fee to other governmental units, departments, and agencies. The Fleet Services Fund 2019 budget is \$24,134,945 The City of Chattanooga is self-insured for judgments and claims, including health care. The Liability Insurance Fund was established to fund and pay for all judgments and costs or liability claims against the City. The 2019 General Fund premium to the Liability Insurance Fund is \$800,000. The 2019 Health & Wellness Fund budget is \$46,992,077.

Pension and OPEB Trust Funds - The City accounts for resources held in trust for defined benefit pension plans to provide disability and retirement benefits for City employees/retirees and for Other Post-Employment Benefits. These funds are accounted for in the same manner as business enterprises providing similar services.

Retirement and OPEB Plans. The City maintains three single-employer defined benefit pension plans and one Other Post Employment Benefit (OPEB)Trust which cover all employees. Each of these systems is maintained separately: one system covers general City employees; a second plan covers employees of the Electric Power Board; and the third covers Firefighters and Police Officers and the fourth covers all medical costs for city retirees from civilian and sworn service classifications.

Trend Information.

City management and the Pension Boards closely observe the future costs of both benefit improvements and changes in retirement trends of employees. Recommendations of actuaries are carefully considered and appropriate measures are taken to ensure that the pension plans are actuarially sound.

General Pension Plan. The City provides a pension plan for permanent general city employees. All permanent employees hired after February 1,1979 must join the plan as a condition of employment. Employee contributions are 2% of total earnings. The City Finance Officer is authorized to match all salaries of all participants in the General Pension Plan, at an actuarially computed contribution rate of 20.5% or 4.7% increase for FY2019.

Fire and Police Pension Fund. The City Finance Officer is authorized to fund based on the total salaries of all active employees participating in the Fire & Police Pension Fund with a contribution from the General Fund. The annual required contribution rate for FY2019 is 45.56% or 6.08% increase of total salaries.

Electric Power Board Pension Plan. The Plan provides retirement benefits to plan members. Plan members are not required to contribute to the Plan. EPB's contributions are calculated based on an actuarially determined rate, which is currently 11.4% of annual covered payroll. Effective August 1, 1984, EPB implemented a 401(k) defined contribution plan, the EPB Retirement Savings Plan, which allows employees to invest up to 15.0% of their salary in the savings plan. EPB contributes up to 4.0% of an employee's salary after one year of employment.

OPEB Trust. The City maintains a post-employment health care plan for retirees and their dependents. Substantially all of the City's employees may become eligible for benefits should they reach normal retirement age and certain services requirements. Retirees and beneficiaries are required to contribute specified amounts depending upon certain criteria and retirement date. Employees who retired prior to 2002 contribute an amount equal to the amount paid by active employees. If they retire after 2002 with 25 years of service or a job related disability, retiree contributes an amount equal to 1.5 times that of active employees: if less than 25 years of service or non-job relate disability, retiree contributes an amount increased on a pro rata year's basis. The City pays the remainder of the costs. As a cost reduction measure, effective July 1, 2010, the City Council discontinued retiree medical coverage past Medicare eligibility for all new employees and employees not already eligible for retirement. This provision does not apply to sworn personnel for which the City does not contribute to the Federal Medicare Insurance Trust Fund.

Personnel Highlights - The fiscal year budget provides for 2,630 positions within the City. This is an increase of twenty-eight (28) positions citywide. This increase is primarily safety personnel for the Fire Department of fourteen (14) sworn positons that will be continued in operation from a previous year's SAFER (Staffing for Adequate Fire and Emergency Response) grant. This increases Fire department authorized sworn positions from 429 to 443 in fiscal year 2019. Other large increases were in Public Works (7) followed by Police (4). For more detailed information see the Human Resource Administration section of this document.

The chart above represents per capita expenditures by department over the past four years.

Financial Assessment

Chattanooga continues to enjoy a position of fiscal strength and our outlook is improving. Through strong fiscal management, Chattanooga has created an environment that fosters economic growth which has lessened the impact of the recent economic downturn on its citizens as compared to other entities on a global scale.

General Fund Balance

One measure of a city's fiscal health is the level of its fund balance. At June 30, 2018 the City's unaudited total and unassigned fund balance of \$84.3 million and \$80.4 million respectfully are 29.89% and 28.52% of total revenues and transfers in. The City strives to maintain an undesignated general fund balance of 20% of operating revenues and transfers in. The City periodically uses fund balance to fund pay-go capital projects instead of adding new debt.

Financial Reserves of Other Operating Funds

In other operating funds, the City strives to maintain a strong fund balance position to provide sufficient reserves for emergencies and revenue shortfalls.

Bond Ratings

The City has a "AAA" rating from Standard & Poor's and maintains a "AA+" from Fitch Investor's Service. Both agencies cite sound financial management, fund balance reserves, the debt retirement policy and a history of pay-as-you-go capital financing as justification for the favorable rating.

Conclusion

I want to thank Mayor Berke, City Council, Citizens and City staff for their participation and support in the development of the City's Financial Plan.

About Chattanooga

Chattanooga, a Cherokee word for "Rock coming to a point" was incorporated under State of Tennessee Private Acts of 1839. Today the City serves as the County seat of Hamilton County, is commercially and industrially developed and is the center of a six-county Metropolitan Statistical Area (the "MSA"), which includes Hamilton County and the counties of Marion and Sequatchie, Tennessee and the counties of Catoosa, Dade and Walker, Georgia.

Located near the southeastern corner of the state on the Tennessee-Georgia border, the City encompasses an area of 145 square miles and a population of 179,139. The City is centrally located in relation to other major population centers of the southeast, being within a 150-mile radius of Knoxville and Nashville, TN; Birmingham, AL; and Atlanta, GA. Over 11 million people live within a 2 to 2 ½ hour drive of Chattanooga.

Date of Organization: 1839 Form of Government: Mayor/Council

The Mayor, elected at-large, serves as the City's Chief Executive Officer and oversees the operation of all City departments. The Mayor does not serve as a member of the Council. The City Council is composed of nine members, with each member being elected from one of the nine districts within the geographic boundaries of the City. The Mayor and Council are elected to four-year terms. The City provides a full range of municipal services including, but not limited to, fire and police protection; sanitation services; construction and maintenance of highways, streets and infrastructure; recreation and cultural activities; youth and family development; public library; economic and community development; planning and zoning; social services; and general administrative services. It also operates a water quality program and a regional sewer and sewage facility system serving southeast Tennessee and northwest Georgia.

The City is empowered to levy a property tax on both real and personal property located within its boundaries. It also has the power to extend its corporate limits by annexation in accordance with procedures under an "Urban Growth Plan" agreed to between the City and Hamilton County. Annexation for selected areas included in the Urban Growth Plan occurred in 2009-2013 adding an additional 4 square miles and over \$313 million of appraised property value.

The City employs approximately 2,192 authorized positions. The City's Electric Power Board has approximately 512 active time employees.

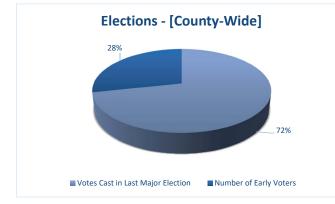

During 2000 thru 2010, the population for Chattanooga increased 10.2 percent and Hamilton County showed an increase of approximately 9.3 percent.

ACHIEVEMENTS

We are honored to have received, for numerous years, the Distinguished Budget Award, the

Certificate of Achievement for Excellence in Financial Reporting, and the Popular Annual

Financial Report.

The Distinguished Budget Presentation Award has been awarded to the City for twenty-two (22) years. We are proud our document has met program criteria as a policy document, as an operations guide, as a financial plan, and as a communication device. The award is valid for a period of one year only. We believe our 2019 budget continues to conform to program requirements.

The GFOA established the Certificate of Achievement for Excellence in Financial Reporting (CAFR Program) in 1945 to encourage and assist state and local governments to go beyond the minimum requirements of generally accepted accounting principles to prepare comprehensive annual financial reports that evidence the spirit of transparency and full disclosure and then to recognize individual governments that succeed in achieving that goal. The City has received this award for twenty-six (26) years.

The GFOA Award for Outstanding Achievement in Popular Annual Financial Reporting (PAFR) was established by GFOA to encourage and assist state and local governments to extract information from their comprehensive annual financial report specifically designed to be readily accessible and easily understandable to the general public. We have received this for seven (7) consecutive years that it has been published. The New York Times (January 2012) named Chattanooga as one of 45 cities worldwide (and one of only four U.S. cities) to visit in 2012. After being famously called the "dirtiest" city in American by Walter Cronkite in 1969, Chattanooga has "undergone a dramatic overhaul with radical gentrification plan and an aggressive citywide push to lure artists."

Following are some of the recognitions the City of Chattanooga has received:

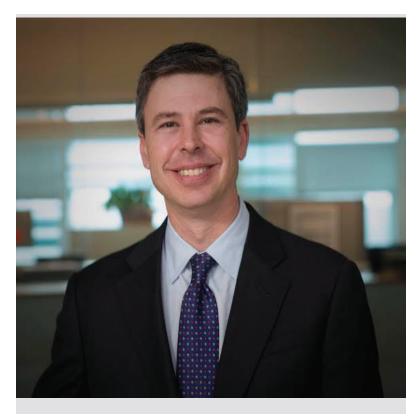

- U.S. Green Building Council recognized Chattanooga as America's first City to be certified for a new environmental distinction for electric power systems due to the energy efficient smart grid technology. The city and EPB were awarded the first municipal PEER Certification in 2016.
- WalletHub rated Chattanooga number 4 of 150 as the best city to start a business in 2015. Chattanooga not only attracts manufacturing and logistics companies, the City places an emphasis on entrepreneurial opportunities.
- **USA Today** readers have ranked Chattanooga's downtown riverfront as the seventh best in the country.
- Money Magazine recognized Chattanooga as one of 20 cities that were chosen as the "Best Places to Retire" in 2015. Chattanooga was also the only Tennessee city on the list.
- **Outside Magazine** named Chattanooga as "Best Outdoor Town in America" in 2015.
- Matador Network named Chattanooga as one of America's 20 Coolest Outdoor Towns in 2016
- Chattanooga has the distinction of being the first city in the United States to have its very own typeface: "Chatype".
- The **Wall Street Journal** calls Chattanooga home to "one of the nation's strongest local economies" in 2012.
- **CNN Travel** calls Chattanooga a "regional gem", and "Scenic City USA" with "literally dozens of attractions packed along the city's downtown riverfront."
- Chattanooga Time Free Press reported "Chattanooga's population growth outpaces other [Tennessee] cities" in July 2012.
- Utne Reader magazine as one of the 10 "Most Enlightened Cities."

- Walking Magazine as one of "America's Best Walking Cities."
- U.S. News & World Report as one of the "Cities that Work.
- National Geographic established the "Tennessee River Valley" Geotourism, which features the Tennessee River Valley region in one of only 15 such projects in the world, and the only river region in the world to be featured.
- Forbes Magazine says "technology makes Chattanooga a great place for business."
- MSN Money calls Chattanooga a "New Hot Retirement Spot...where the amenities include hiking and biking trails, an aquarium and a thriving local arts scene."

Mayor Andy Berke

Elected to the State Senate in 2007 and re-elected to a second term in 2008, Mayor Berke was appointed/elected the Vice-Chairman of the Senate Democratic Caucus. During his tenure, he worked on key legislation like Tennessee Works, First to the Top, and Complete College Tennessee and served on the Senate Education and Transportation Committees. In 2008, he was appointed by Governor Phil Bredesen to the State Workforce Development Board. In addition, the State Legislative Leaders Foundation nominated him to attend its Emerging Leaders Program at the Darden School at the University of Virginia Business School. He attended the 31st American-German Young Leaders Conference in Germany. He was honored by the Tennessee PTA in 2012 as Legislator of the Year and the Tennessee Education Association's 2012 Friend of Education Award for his commitment to improving public education across Tennessee. Previously, the County Officials Association of Tennessee named him its legislator of the year, as did the Southeast Tennessee Development District. Lipscomb University's

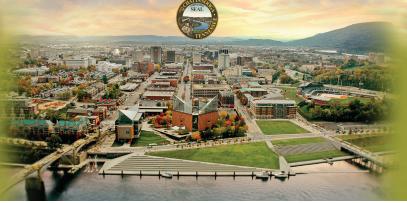

Institute for Sustainable Practice awarded him its Public Official of the Year. Mayor Berke is a past President of the Chattanooga Association for Justice, and is a charter member of the local chapter of the Inns of Court. Prior to his election as Mayor, he worked as a board member of the Siskin Children's Institute, the local public television station, WTCI, the Chattanooga Nature Center, and the Tennessee Holocaust Commission. At his daughter's elementary school, Normal Park Museum Magnet, he has been on the PTA board and worked on the Superintendent's Parent Advisory Committee.

He was elected to serve as Mayor of Chattanooga on March 5, 2013, winning over 70% of the electoral vote. Mayor Berke has focused his public service on making streets safer, providing every child with the opportunity for success, promoting economic and community development, and ensuring that government budgets on outcomes and effectiveness. Mayor Berke was re-elected to a second term in March 2017. He and his wife Monique Prado Berke have two daughters: Hannah and Orly.

MISSION

To break down the barriers that prevent people from living the life they want in our community.

VISION

We will be a city that e m p o w e r s Chattanoogans to build an equitable, authentic, and inclusive community through prosperity and a high quality of life.

City Council

Chip Henderson

District 1

His favorite quotation is "Government should provide collectively what we cannot provide individually." Councilman Henderson is currently the Chair of the Public Saftey Committee.

District 1 consists of the following precincts: Hixson 1; Lookout Valley 1; Moccasin Bend; Mountain Creek 1 & 3; Northwoods 2.

Jerry Mitchell

District 2 Jerry has committed

Jerry has committed himself full time to connecting with his fellow District 2 neighbors and voters, learning what is important to them, and helping people understand his own thoughts about the future of the district and the city. Under prior administrations, Jerry played an integral part in expanding the City's parkland, directed the creation of the Public Art Plan and the development of the Outdoor initiative. Councilman Mitchell currently serves as Chair of the Council's Public Works & Transportation Committee.

District 2 consists of the following precincts: Lupton City; North Chattanooga 1 & 2; Northgate 1 & 2; Riverview; and Stuart Heights.

Ken Smith, Chairman

Ken believes there are short and long-term needs that need to be better addressed for Chattanooga to reach its potential. These include managing growth and development, creating strong and vibrant neighborhoods, bringing better transparency and more accountability to city government, and addressing our critical infrastructure needs. His focus is to bring inclusive and positive leadership to the City Council by being a voice of the citizens and getting back to the basics of providing essential services to the taxpayers of Chattanooga. Councilman Smith currently serves as Chair of the Council for 2018-2019.

District 3 consists of the following precincts: Dupont; Hixson 2 & 3; Murray Hills 1 & 2; Northwoods 1.

City Council

Darrin Ledford

District 4

Darrin Ledford was elected to the District 4 seat of the Chattanooga City Council on March 5, 2017. Ledford campaigned on using his faith, personal experiences and business background to bring a spirit of cooperation, friendship and courage to help solve the complex problems our City faces today. NUMBER SOCIAL PENALTIES SOCIAL PEFORM SOCIAL PENALTIES SOCIAL POLICIES FOLLOW

Mayor Berke utilizes a comprehensive approach to developing the City's strategies and financial plans, a process called Budgeting for Outcomes (BFO). Budgeting for Outcomes is an approach based on collaboration, transparency, efficiency, all aimed toward delivering the services that matter most to citizens. Traditional budgeting typically starts with using the prior year budget as a baseline and determining increases or decreases to develop a new budget. It is an incremental process that does little to foster innovation.

BFO starts with a set of priorities and requires City administrators to work collaboratively to achieve the outcomes while also providing essential services to citizens in a cost-effective and efficient manner. Rather than submitting departmentwide proposals focused on total expenditures, departments and agencies must submit "offers" to explain how they can achieve the best results that matter to citizens for the lowest cost and explain what performance measures they will use to demonstrate success. Like performance budgeting, BFO focuses on what the public receives, how much it costs, and how outcomes will be measured. Budgeting for Outcomes, which has been named a "recommended practice" by the Government Finance Officers Association (GFOA), starts with the results citizens want from their City government and works to align those priorities with the budget decisionmaking process.

There are seven major steps in the BFO process. The following diagram provides a process map, and each step is summarized on the following pages.

Budgeting for Outcomes is an approach based on collaboration, transpareny, efficiency.

Step One: Determine Available Funding

City Finance department staff analyzed historical information and evaluated current trends to estimate revenues from varying sources for fiscal year 2019. Estimated general fund revenue for fiscal year 2019 is \$262,020,000, a 3.39% increase over the budgeted revenues for fiscal year 2018.

Step Two: Establish Prioritized Results

Based on our community's priorities, the effort to move Chattanooga forward is built around five result areas:

- Safer Streets
- Smarter Students and Stronger Families
- Growing Economy
- Stronger Neighborhoods
- High Performing Government

Step Three: Allocate Revenues to Results Areas

Once the result areas were identified, the Administration allocated available funding to each result area based on estimated cost of services and priority of result area. The largest result area, making up 51.56% of the budget, is safer streets. Not only does safer streets include the operation of the Police and Fire Departments, but it also includes all crime prevention initiatives as well as transportation operations. Stronger neighborhoods ranks second highest, making up 15.83% of the budget. Stronger neighborhoods include all city-wide services to ensure the health, vitality, and cleanliness of City neighborhoods. Smarter students, growing economy, and high performing government are all equally split for the remaining 32.61% of the total budget.

Step Four: Offers to Achieve Results

Departments and agencies submitted offers that detailed how each dollar in the general fund operating budget would achieve results for Chattanoogans. As a resource for departments and agencies, city leadership developed requests for offers and results maps, laying out the goals for each result area.

Requests for offers summarize each result area and provide useful information for developing offers, including a description of the result area, desired outcomes, and budget strategies.

Results maps summarize the components of

The Budgeting for Outcomes Process

each result area used to develop the overall desired outcomes for each result area. All offers were encouraged to include the following:

- Clear and measurable goals: The Administration will track these benchmarks to ensure long term success of the funded initiatives.
- Multi-agency and/or multi-department collaboration: to leverage City dollars effectively, the Administration will give preference to multi-agency or multidepartmental collaboration.

• Mechanisms for citizen involvement and feedback: to ensure effectiveness, citizen input is used during program development

and implementation. Agencies and departments should have plans that use citizen input for constant iteration and improvement of service delivery.

• Sustainable practices: Agencies and Departments that harness environmental sustainability will be given extra consideration. These projects should detail the environmental and fiscal return on the investment to City taxpayers.

• Research/Evidence based best practices: All funded offers must employ documented best practices or thorough research.

Preparing the budget in this manner allowed the departments and agencies to review operations and organizational structure to identify opportunities to streamline processes, improve customer service, save money, adopt best practices, provide needed services, and focus limited resources on citizen priorities.

Step Five: Prioritizing the Offers

Result teams were formed for each of the five result areas. Result team responsibilities included reviewing and ranking the offers for funding and providing feedback on how to improve offers. Each result team included a member of the leadership team, a Management and Budget Analyst, three City department administrators, and a volunteer community member knowledgeable in the result area.

The result teams reviewed all offers and ranked them twice. After the first ranking, the result teams provided extensive feedback to departments and agencies on how to improve their offers. The second ranking was submitted to the leadership team for review, followed by input from the Mayor. The ranking process is subject to change based on the recommendations of all the reviewers until the final budget has been compiled.

The rankings are listed in priority order, with offers likely to achieve the most results at the top of the list and the offers likely to achieve the fewest results at the bottom of the list. The amount of money available for each result area is allocated to the offers beginning at the top of the ranked list until the money runs out. A line is drawn and everything above the line is recommended for funding. Everything below the line is recommended not to be funded. If something below the line needs to be funded, an offer that is currently above the line needs to be adjusted or moved below the line. This process allows decision-makers at each level to see the impact of budget decisions.

Step Six: Identify Performance Measures

Each result area has overall desired outcomes for which performance measures must be identified and tracked. The leadership team has developed key performance indicators for each result area to measure outputs, efficiency, or customer service.

For each offer submitted, departments and agencies were required to provide performance measures that will demonstrate alignment of department or agency activities with resources to achieve the City's desired outcomes. This performance data will be monitored throughout the year, as with last year, success rate will be considered if the same offer is made in the following fiscal year.

Step Seven: Monitor Performance and Track Results

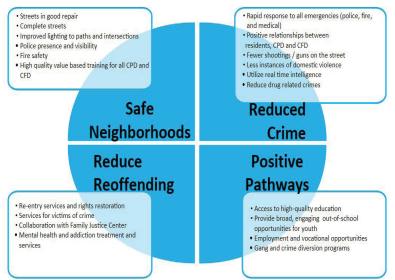

> Currently, departments must acquire, verify, and track data manually to measure performance. The Office of Performance Management is responsible for ChattaData, which complements current open government initiatives and provides a central clearing house for all performance data. This office has improved the City's ability to maintain, track, and release City performance information, yielding long term savings and effectiveness.

> ChattaData is a performance management platform expressly designed to help government leaders in applying data to every aspect of their decision-making, while involving citizens in the process. ChattaData provides a seamless system not only to set goals, but measure impact against data, perform broad analysis, and share results with the public automatically. Implementing ChattaData will give administrators a tool for data driven decision-making while also providing accountability and transparency to citizens.

Budget Amendments

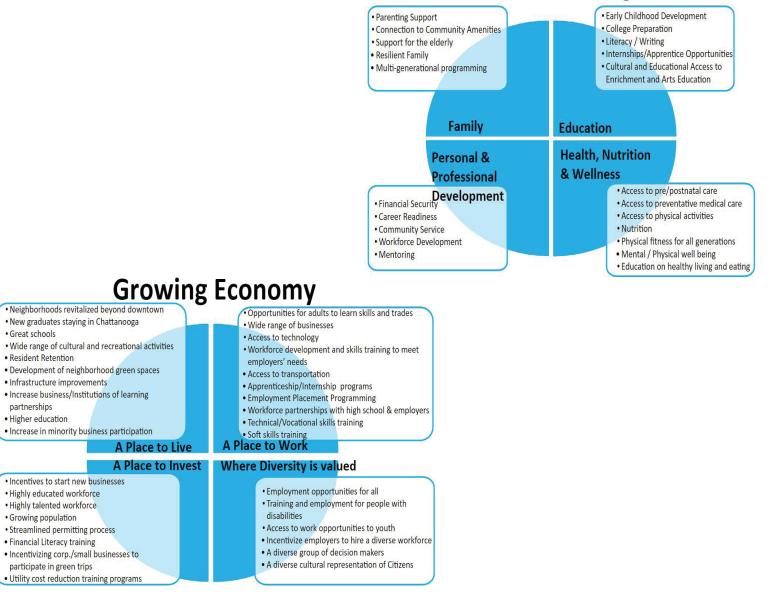

If circumstances or issues arise, the annual budget may be amended by majority vote of the City Council.

Revenue Policies

The City of Chattanooga's revenue programs are administered by the Department of Finance & Administration. Longstanding principles which insure stability and financial health are adhere to. The cornerstone of these principles followed by the City is an air of conservatism. The City never has, and never will, intentionally overestimate a revenue source merely to fund a project or additional personnel. The revenue policies of the City remain fairly constant from year to year, changing to include new revenue sources or an extension of the tax base when appropriate. These revenue policies give a good insight into the reasoning being considered by the City at budget time. The policies themselves reflect the conservative approach used by the City.

Revenue policies of the City include, but are not limited to the following:

The City will maintain effective collection systems and implement aggressive enforcement strategies to maximize revenues from all sources.

The City will attempt to maintain a revenue system which will encourage development of alternative revenue sources.

The City will continually monitor the local tax efforts, such as property tax and sales tax, and compare with other cities of comparable size.

The City will maintain a broad revenue base; that is, a large number of widely diversified revenue sources will be established and maintained in order to distribute the revenue burden equitably and protect the City from short-term fluctuations in any one revenue source.

The City will follow a conservative approach in the projection of revenues so that actual revenues at year end will consistently equal or exceed budgeted amounts.

The City will actively seek Federal and State grants and insure a fair proportion is received.

The City will review all user fees and licenses annually, adjust these fees and licenses when appropriate, and establish new fees and licenses when necessary.

The City will establish all user charges and fees at a level related to the full cost of providing the operating, direct, indirect, and capital services. The City will limit the designation of General Fund revenues for specified purposes in order to maximize flexibility and utilize revenues more efficiently.

The City will continue to maintain its low Debt Ratio in providing funding through general obligation bond sales.

Cash Management & Investment Policy

1.0 Policy. T.C.A. 9-1-107(a)(1) authorizes municipalities to deposit and invest funds. It is the policy of the City of Chattanooga for the City Treasurer to invest excess public funds in a manner which will maximize investment return with maximum security while meeting daily cash flow demands of the City and conforming to all state and local statutes governing the investment of public funds.

2.0 Scope. This investment policy applies to all financial resources of the City of Chattanooga, except the following: The City of Chattanooga General Pension Trust Fund; The City of Chattanooga Fire and Police Pension Trust Fund; Other Post Employment Benefits Trust Fund; Deferred Compensation Plans; And such funds excluded by law, bond indenture or other Council-approved covenant.

These funds are accounted for by the City's Finance Division in accordance with generally accepted accounting principles, and include all funds collected and held by the City, with the exceptions noted in section 2.0 (scope) above:

- 2.1 Funds
 - (1) General Funds
 - (2) Special Revenue Funds
 - (3) Debt Service Fund (unless prohibited by bond indentures)
 - (4) Capital Project Funds
 - (5) Enterprise/Proprietary Funds
 - (6) Any new fund created by the City Council, unless specifically exempted by State Law.

City of Chattanooga funds held by Hamilton County shall be governed by County investment policies, and are not subject to the provisions of this policy. Funds held by the Hamilton County Finance Department during tax collection period shall be governed by the County's investment policies, and are not subject to the provisions of this policy. 3.0 Prudence. TCA 6-56-106 details the types of allowable investments for public funds(section 8.0). Within those standards, prudence and good faith must be used in investing City funds. Investments are to be made using judgment and care, ensuring safety of the capital, as well as the expected income to be derived. Investment officials meeting this standard will be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and appropriate action is taken to control adverse developments.

4.0 Investment Objectives. The primary objectives, in priority order, of the City of Chattanooga's investment activities shall be as follows:

4.1 Safety. Safety of principal is the foremost objective of the investment program. Investments of the City of Chattanooga shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. To attain this objective, diversion is required in order that potential losses on individual securities do not exceed the income generated from the remainder of the portfolio.

4.2 Liquidity. The City of Chattanooga's investment portfolio will remain sufficiently liquid to enable the City to meet all operating requirements which might be reasonably anticipated.

4.3 Return on Investment. The City of Chattanooga's investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, commensurate with the City's investment risk constraints and cash flow characteristics of the portfolio.

4.4 Local Institutions. Local institutions shall be given preference when they are, in the judgment of the Treasurer, competitive with other institutions.

5.0 Delegation of Authority. The Treasurer is responsible for day-to-day investment decisions and activities and development and maintenance of written procedures for the operation of the investment program.

Procedures should include: safekeeping, SPA repurchase agreements, wire transfer agreements, banking service contracts and collateral/depository agreements. Such procedures shall include explicit delegation of authority to persons responsible for investment transactions. No person may engage in an investment transaction except as provided under the terms of this policy and the procedures established by the Finance Officer. The Treasurer is responsible for all transactions undertaken and shall establish a system of controls to regulate the activities of subordinate officials. The Treasurer will train other investment personnel to assist and provide relief in the day-to-day placement of investments.

6.0 Ethics and Conflicts of Interest. Any person involved in the investment process shall refrain from personal business activities which could conflict with the proper execution of the investment program, or which could impair their ability to make impartial investment decisions.

Investment personnel shall disclose to the Mayor and City Finance Officer any material financial interests in financial institutions that conduct business within this jurisdiction, and they shall further disclose any large personal financial/investment position that could be related to the performance of the City of Chattanooga, particularly with regard to the time of purchases and sales.

Bonding of all staff involved in the investment process shall be required, and such bonding requirements shall apply to those individuals authorized to place orders to purchase or sell investment instruments.

7.0 Authorized Financial Dealers and Institutions. The Treasurer will maintain a list of financial institutions authorized to provide investment services. In addition, a list will also be maintained of approved security broker/dealers selected by credit worthiness who are authorized to provide investment services in the State of Tennessee. These may include "primary dealers" or regional dealers that qualify under Securities & Exchange Commission Rule 15C3-1 (uniform net capital rule). No public deposit shall be made except in a qualified public depository as established by the laws of the State of Tennessee.

All financial institutions and broker/dealers who desire to become qualified bidders for investment transactions must supply the Treasurer with the following:

(1) Audited financial statements

(2) Proof of National Association of Security Dealers certification.

(3) Trading resolution

(4) Proof of State of Tennessee registration

(5) Completed broker/dealer questionnaire

(6) Certification of having read the City of Chattanooga's investment policy and depository contracts.

An annual review of the financial condition of qualified bidders will be conducted by the Treasurer. A current audited financial statement is required to be on file for each financial institution and broker/dealer in which the city of Chattanooga invests.

8.0 Authorized and Suitable Investments. Except for funds listed in section 2.0 of this policy, the City of Chattanooga shall limit its investments to those allowed by the TCA 6-56-106, which states:

"In order to provide a safe temporary medium for investment of idle funds, municipalities are authorized to invest in the following:

- (1) Bonds, Notes or Treasury Bills of the United States;
- (2) Non-convertible debt securities of the following issues:
 - (A) The Federal Home Loan Bank;
 - (B) The National Mortgage Association;
 - (C) The Federal Farm Credit Bank; and
 - (D) The Student Loan Marketing Association;

(3) Any other obligations not listed above which are guaranteed as to principal and interest by the United States or any of its agencies;

(4) Certificates of deposit and other evidences of deposit at state and federal chartered banks and savings and loan associations.

- (5) Obligations of the United States or its agencies.
- (6) The Tennessee Local Government Investment Pool

(7) Repurchase Agreements (provided a Master repurchase agreement has been executed and approved by the state director of local finance, such investments are made in accordance with procedures established by the state funding board)"

8.1 Securities Not Eligible As Investments for Public Funds in The State Of Tennessee:

- (1) Corporate Bonds
- (2) Corporate Stocks
- (3) Foreign Government Obligations
- (4) Futures Contracts
- (5) Investments in Commodities
- (6) Real Estate
- (7) Limited Partnerships
- (8) Negotiable Certificates of Deposit

8.2 Reverse Repurchase Agreements. The City of Chattanooga will not engage in using Reverse Repurchase Agreements.

"Leveraging" is not an acceptable strategy for the City.

8.3 Risk. The City's investing policy is public funds should never be put at market risk.

9.0 Investment Pool. A thorough investigation of the pool/fund is required prior to investing, and on a continual basis. There shall be a questionnaire developed which will answer the following questions:

(1) A description of eligible investment securities, and a written statement of investment policy.

(2) A description of interest calculations and how it is distributed and how gains and losses are treated.

(3) A description of how the securities are safeguarded (including the settlement processes), and how often the securities are priced and the program audited.

(4) A description of who may invest in the program, how often, what size deposit and withdrawal.

(5) A schedule for receiving statements and portfolio listings.

(6) Are reserves, retained earnings, etc. utilized by the pool/fund?

(7) A fee schedule and when and how it is assessed.(8) Is the pool/fund eligible for bond proceeds and/ or will it accept such proceeds?

10.0 Collateralization. TCA 9-4-103 and TCA 9-4-105 detail the necessity, amount and types of funds acceptable for depository institutions to use as collateralization of public investments. All certificates of deposit and repurchase agreements are to be collateralized in accordance with those statutes.

Custodial Agreement: TCA 9-4-505 specifies collateral is to be held by an independent third party with whom the city has a current custodial agreement, such as the state collateral pool (TCA 9-4-504). A clearly marked evidence of ownership (safekeeping receipt) must be supplied to the City and retained.

11.0 Safekeeping and Custody. All security transactions, including collateral for repurchase agreements will be held by a third party custodian designated by the Treasurer and evidenced by safekeeping receipts.

12.0 Diversification. The City will diversify its investments by security type and institution. With the exception of securities guaranteed by the U.S. Government and the Tennessee State Local Government Investment Pool, no more than 50% of the City's total investment portfolio will be invested in a single security type or with a single financial institution.

13.0 Maximum Securities. The City will attempt to match its investments with anticipated cash flow requirements. Under current State policy, the City follows TCA 6-56-106(9) (b), with no investments in securities maturing more than four years from date of purchase.

14.0 Internal Control. The Treasurer shall follow all City internal control procedures regarding cash movements and is subject to periodic audits by the City Internal Audit Department

15.0 Performance Standards. The investment portfolio shall be designed with the objective of obtaining a rate of return throughout budgetary and economic cycles, commensurate with the investment risk constraints and the cash flow needs.

16.0 Reporting. The Treasurer is responsible for preparing a quarterly investment report to the Mayor, City Council and City Finance Officer.

Schedules in the quarterly report should include:

(1) A listing of individual securities held at the end of the reporting period by authorized investment category, and financial institutions;

(2) Average life and final; maturity of all investments listed;

(3) Coupon, discount or earnings rate;

(4) Par value and Amortized Book Value;

(5) Percentage of the Portfolio represented by each investment category.

Debt Policies

To maintain a high quality debt management program, the City of Chattanooga (the "City") has adopted the guidelines and policies set forth in this document titled "Debt Management Policy" ("The Policy"). The purpose of creating the Debt Policy is to establish the objectives and practices for debt management for the City and to assist all concerned parties in understanding the City's approach to debt management.

The Policy is intended to guide current and future decisions related to debt issued by the City by providing written

guidance about the amount and type of debt issued, the issuance process, and the management of the City's debt program within available resources. The purpose of the Policy is to improve the quality of decisions, provide justification for the structure of debt issuance, identify policy goals, and demonstrate a commitment to long-term financial planning, including a multi-year capital plan. Adherence to this Policy signals the rating agencies and the capital market that the City is well managed and should meet its obligation in a timely manner. This Policy fulfills the State of Tennessee requirements with regard to the adoption of a formal debt management policy.

This Policy provides guidelines for the City to manage its debt levels and their related annual costs within both current and projected available resources while promoting understanding and transparency for our citizens, taxpayers, rate payers, businesses, vendors, investors and other interested parties and stakeholders. The debt program for the City includes various types of obligations for which the City has pledged its full faith and credit as well as other designated revenues for the payment of both principal and interest. The City Council, comprised of nine elected officials, is the body authorized to issue indebtedness of the City.

Since the guidelines contained in the Policy require regular updating in order to maintain relevance and to respond to the changes inherent in the capital markets, the City plans to revisit the Policy from time to time.

Resolution number 26914, regarding the Debt Management Policy, was adopted by the City Council of the City of Chattanooga on December 6, 2011. To view the full Debt Management Policy, visit the City's website: www.chattanooga.gov. or go to the following link:

Reserve Policies

The City will maintain a minimum revenue reserve in the General Operating Fund which represents between 18-20% of the fund's expenditures and transfers out.

Accounting, Auditing, and Financial Reporting Policies

An independent audit will be performed annually. The City will produce annual financial reports in accordance with

Generally Accepted Accounting Principles (GAAP) as outlined by the Governmental Accounting Standards Board.

The City will maintain a strong internal audit capability.

Capital Budget Policies

The City shall invest a percentage of its general operating funds to finance ongoing infrastructure maintenance, repair and replacement programs, and to implement approved plans that foster economic and neighborhood development each year.

The City will develop a multi-year plan for ongoing capital improvements, update it annually, and make all capital improvements in accordance with the plan. Funding of repair and replacement schedule projects will have funding priority before discretionary capital projects. Capital improvement projects which violate the principles and concepts of an adopted City plan or which duplicate other public and/ or private services will not be considered.

The City Council will use the following criteria to evaluate the relative merit of each capital project:

Projects which will increase property values in a neighborhood, residential or business district; Projects identified by a priority board or a department as important; Projects which will directly benefit a community development area of the City; Projects which are part of a multi-year funding commitment; Projects which are an element of an approved master plan adopted by City Council; Projects which result in the creation of permanent jobs and/or generate additional net revenue to the city; Projects specifically included in an approved replacement schedule.

Legal Requirements

In 1982 the Tennessee General Assembly passed what has become known as the "Municipal Budget Law of 1982." This law was incorporated into the Tennessee Code Annotated under Section 6-56. The following excerpts are from Tennessee Code Annotated 1992 Replacement and provide the state requirements for municipal budgets.

6-56-203. Annual Budget Ordinance. The governing body of each municipality shall adopt and operate under an annual budget ordinance. The budget ordinance shall present a financial plan for the ensuing fiscal year, including at least the following information:

(1) Estimates of proposed expenditures for each department, board, office or other agency of the municipality, showing in addition, the expenditures for corresponding items for the last preceding fiscal year,

projected expenditures for the current fiscal year and reasons for recommended departures from the current appropriation pattern in such detail as may be prescribed by the governing body. It is the intent of this subdivision that except for moneys expended pursuant to a project ordinance or accounted for in a proprietary type fund or a fiduciary type fund which are excluded from the budget ordinance, all moneys received and expended by a municipality shall be included in a budget ordinance. Therefore, notwithstanding any other provision of law, no municipality may expend any moneys regardless of their source (including moneys derived from bond and long-term note proceeds, federal, state or private grants or loans, or special assessments), except in accordance with a budget ordinance adopted under this section or through a proprietary type fund or a fiduciary type fund properly excluded from the budget ordinance;

(2) statements of the bonded and other indebtedness of the municipality, including the debt redemption and interest requirements, the debt authorized and unissued, and the condition of the sinking fund;

(3) estimates of anticipated revenues of the municipality from all sources including current and delinquent taxes, nontax revenues and proceeds from the sale of any bonds or long-term notes with a comparative statement of the amounts received by the municipality from each of such source for the last preceding fiscal year, the current fiscal year, and the coming fiscal year in such detail as may be prescribed by the governing body;

(4) a statement of the estimated fund balance or deficit, as of the end of the current fiscal year;

(5) a statement of pending capital projects and proposed new capital projects, relating to respective amounts proposed to be raised therefore by appropriations in the budget and the respective amounts, if any, proposed to be raised therefore by the issuance of bonds during the fiscal year; and

(6) such other supporting schedules as the governing body deems necessary, or otherwise required by law.

The City Code of the City of Chattanooga also provides requirements for a budget. Following is an excerpt from Chapter III, Chattanooga City Code:

Sect. 6.80. Annual Budget not to exceed estimated revenue except in cases of extraordinary emergencies. It shall be the duty of the City Council elected under this act to prepare and pass an annual budget each year. The budget for the

ordinary and extraordinary expenses of said city for any one year shall not exceed the estimated amount of revenue to be collected for said year; and in no event shall there be appropriated by the City Council any sum or sums in excess of the estimated revenues of said City, for the fiscal year in which said appropriation is made. Provided, however, said City Council may, in extraordinary emergencies such as floods, epidemics, or destructive fires, make appropriations in excess of the estimated revenue when the public health, safety, and welfare demand same.

and,

WHEREAS, it is necessary to base the appropriations to the various departments of the Municipal Government on the above estimated revenues;

NOW, THEREFORE,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF CHATTANOOGA, TENNESSEE:

SECTION 1. That for the purpose of raising revenue to operate the various departments, agencies, boards, commissions, offices, divisions or branches of the Municipal Government, and to pay the interest on and retire bonds of said City as they mature, there be and is hereby levied upon all taxable property within the City of Chattanooga, Tennessee, a tax for the year 2018 at a rate of \$2.277 upon every \$100.00 in assessed value of such taxable property; and to the extent applicable there is also levied a tax at the same rate upon every \$100.00 of Merchant and other Ad Valorem within the corporate limits of the City of Chattanooga, Tennessee.

SECTION 2. That the assessment made by the Assessor of Property of Hamilton County, Tennessee, and by the Tennessee Regulatory Agency for 2018 on all property located within the corporate limits of the City of Chattanooga, Tennessee, be and is hereby adopted as the assessments of the City of Chattanooga.

SECTION 3. That the taxes herein levied on all taxable property within the corporate limits of the City of Chattanooga shall be due and payable at the office of the City Treasurer and Tax Collector OCTOBER 1, 2018, and shall become delinquent MARCH 1, 2019, on which date unpaid taxes shall bear interest at twelve percent (12%) per annum, and a penalty of six percent (6%) per annum, plus other penalties as provided by law, which shall be paid by the taxpayer; provided, that except for taxpayers receiving tax relief under T.C.A. Sections 67-5-702 through 67-5-705.

SECTION 4. That the provisions of the Business Tax Act, Tennessee Code Annotated section 67-4-701, et seq., relative to the authorization of local taxes upon the privilege of engaging in certain types of business activities be and are hereby adopted by reference, and there is hereby levied a Business Tax on all businesses taxable by municipalities under Chapter 387, Public Acts of 1971, as amended, at the maximum rates specified therein. The Tennessee Department of Revenue shall collect the Business Tax on behalf of the City as authorized in T.C.A. § 67-4-703(a). The City Treasurer is authorized and directed to collect such fees and taxes as are authorized by said Act to be collected by the City of Chattanooga, a municipality, together with such interest and penalties as may become due thereon, at the maximum rate provided by law. The City Treasurer is hereby authorized and directed, in accordance with the Business Tax Act, to register new businesses located within the City and collect a fee of Fifteen Dollars (\$15.00) for issuance of an initial business license upon the City Treasurer's receipt of the application, together with any other information reasonably required, and to issue such license at the time of registration. The City Treasurer is designated as the City official responsible for the registration of businesses located within the City of Chattanooga.

SECTION 5. That the budgets of the various departments, agencies, boards, commissions, offices, divisions, or branches of Municipal Government for the fiscal year beginning July 1, 2018, are fixed as hereafter set out; and the amount so fixed for each is hereby appropriated out of the estimated revenue for said year for the use of that department, agency, board, commission, office, division, branch of government, to-wit:

<u>SECTION 6(a)</u>. That there be and is hereby authorized the appropriation of all collections and fund balances to the respective funds, other than the General Fund, to be expended for the general public purposes as indicated.

<u>SECTION 6(b)</u>.That the Chattanooga City Council adopted Resolution 25862 on March 24, 2009, authorizing the City to enter into an Airport Operations Service Contract ("Contract") with the Chattanooga Metropolitan Airport Authority ("Airport Authority"). In accordance with Section 5.1 of the Contract, the City hereby appropriates the sum of \$3,158,131 from the Debt Service Fund (which represents the total debt service requirements for the Airport Authority's fiscal year 2019), to be used only in the event that the Airport Authority is unable to meet its debt service requirement for fiscal year 2019.

<u>SECTION 7</u>. That all persons under the "City of Chattanooga Classification and Pay System" and covered by the "Pay Plans" on the effective date of this Ordinance shall receive pay within the appropriate range as designed in the City's Pay Plan. The Mayor shall authorize pay for all persons not within the "City of Chattanooga Classification System" and not covered by the "Pay Plan".

SECTION 7(a). The Mayor is authorized to apply a two and one half percent (2.5%) increase in base pay for full time civilian employees effective July 1, 2018, with annual base pay of fifty thousand dollars (\$50,000.00) and above. Employees with annual base pay of less than fifty thousand dollars (\$50,000.00) will receive an increase of one thousand two hundred fifty dollars (\$1,250.00) to their annual base pay, or \$0.60 cents per hour to employees not working in a full time capacity and excluding those employees whose pay is governed by federal and/or state formula. If necessary to achieve this pay increase, an employee's pay may exceed the maximum in the pay range. This pay increase shall apply to all employees hired prior to April 1, 2018.

<u>SECTION 7(b)</u>. Any person employed full time as a City employee shall not be paid less than the Federal Living Wage rate, except for those employees whose pay is governed by federal formula.

<u>SECTION 7(c)</u>. Any person employed on a temporary basis in positions authorized within the Classification Plan shall be paid at a rate not more than the minimum of the position's pay range. As provided in the Employee Information Guide, Section IV, temporary employment is for a specified period, not to exceed twelve (12) consecutive months.

SECTION 7(d). In addition to positions provided for hereinafter, known as positions within the "City of Chattanooga Classification System", which includes only regular full time positions, the City recognizes and authorizes the following types of designation of positions as exempt from the Classification System: Regular Part-Time, Temporary, Elected Officials and Appointed Employee.

SECTION 7(e). That except as otherwise provided, the positions specified hereinafter are hereby authorized at the pay ranges or maximum amounts and upon the terms hereinafter specified.

NR - Positions Not Rated in the Classification System NP - Non Plan

SECTION 7(f).In order to achieve the efficiencies in personnel assignments, the Mayor is hereby authorized to realign, reclassify or otherwise change positions within the total number of funded positions provided for.

SECTION 7(g). This ordinance further provides longevity bonus pay for permanent, full time classified service employees who have five (5) or more years of continuous service as of October 31, 2018. The longevity pay shall be seventy-five dollars (\$75.00) for each full year of continuous service up to a maximum of thirty (30) years or two thousand two hundred fifty dollars (\$2,250). Employees terminated prior to October 31, 2018 shall not qualify for the longevity bonus pay.

SECTION 8. That the City Finance Officer is authorized to pay a uniform and equipment maintenance allowance of five hundred dollars (\$500.00) for all sworn police officers and firefighters as of July 1, 2018, except for those new employees who have received from the city a new uniform since July 1, 2017. Further, the City Finance Officer is authorized to pay a supplemental tool allowance of two hundred dollars (\$200.00) for certain employees as set forth in Resolution No. 18381, dated December 5, 1989, as amended; and is authorized to pay a supplemental uniform allowance of two hundred fifty dollars (\$250.00) for City Court Officers. It shall be the duty of employees receiving these supplements to use the funds for the specified purpose and retain receipts to that effect.

<u>SECTION 9</u>. That the City Finance Officer is authorized to make contributions to the Pension and Other Post-Employment Benefits (OPEB) Trust funds on behalf of all participants as specified in the most recent actuarial valuation for each plan.

SECTION 9(a). That the City Finance Officer is authorized to match the total salaries of all participants in the Fire and Police Pension Fund with a contribution not to exceed forty five and fifty-six hundredth percent (45.56%) as specified in the most recent actuarial valuation. <u>SECTION 9(b)</u>. That the City Finance Officer is authorized to contribute to the General Pension Plan an amount equal to twenty and fifty hundredth percent (20.50%) of all participants' salaries as specified in the most recent actuarial valuation.

<u>SECTION 9(c)</u>. That the City Finance Officer is authorized to pay the following Union Pension Plan the specified amounts per participation agreements

Central Pension Fund \$1.59 per hour

<u>SECTION 9(d)</u>. That the City Finance Officer is authorized to contribute to the Other Post- Employment Benefit Trust Fund a percentage of all participants' salaries as specified in the most recent actuarial study.

SECTION 10. That the City Finance Officer is authorized to reimburse officials and employees for use of personal vehicles on official business at the current rate per mile recognized and established by the Internal Revenue Service.

<u>SECTION 11</u>. That for employees currently receiving a monthly allowance of four hundred dollars (\$400.00) per person in-lieu of a take-home government vehicle shall continue to receive same for as long as such employee holds his or her current position. Additional employees may receive this allowance only with approval of the Mayor and passage of an ordinance by the City Council.

<u>SECTION 12</u>. That all salaries and wages and other expenditures shall be paid only upon the authorization of the official who has the responsibility of expending the appropriation against which the salaries or wages or other expenditures are charged, pursuant to Private Acts of 1953, Chapter 105, Section 2 (4).That all funds appropriated in this Ordinance for payment of salaries and/or wages shall be spent for salaries and wages only unless proper authorization is given to do otherwise.

SECTION 13. That the City Finance Officer is authorized to pay the payroll and/or costs of personal services, whether on the payroll, voucher or otherwise, of the Air Pollution Control Bureau, The Public Library, Regional Planning Agency, Youth & Family Development – Social Services, Scenic Cities Beautiful, and any other department, agency, board, commission, office, division, or branch of Municipal Government heretofore or hereafter established, notwithstanding that same is not specified hereinbefore, as certified to him by the respective administrative official.

SECTION 14 That employees called to active duty and deployed outside the continental United States ("OCONUS") to a combat zone or a qualified hazardous duty area, as those terms are defined by federal law, shall be paid the difference that their City pay exceeds their total military base pay, up to \$850.00 per month, from the time called to active duty until relieved from active duty status or until June 30, 2019, whichever occurs first. Payments beyond the current fiscal year shall be subject to future appropriations by City Council. The City Finance Officer be and is authorized to appropriate the necessary money from other available funds. The difference in pay shall be calculated without regard to any payment of combat pay. Further, with the concurrence of the General Pension Fund and the Fire and Police Pension Fund, or any union fund participation agreement, the City shall pay such contributions necessary, both the employee's and the employer's share, based on their pension-eligible salary at the time of call-up (not counting overtime pay) to ensure the continued enrollment and pension-eligibility of employees while called-up for deployment OCONUS for the same period as referenced above. In this manner, the affected employees shall not be penalized nor incur financial hardship as relates to their pension eligibility.

If the City's medical insurance provider will extend medical coverage to families affected by the call-up of reservists for deployment OCONUS beyond the customary six (6) month period, the City shall pay the

employers share of the premium for any employee called-up to active duty. The employee's share of the coverage shall remain the responsibility of the employee and may be paid in the most convenient method by the employee. During the time of active duty, the employee may request the City to make such payments on his/her behalf and reconcile the amounts paid upon his/her return to City employment.

SECTION 15. As provided by the Employee Information Guide, Section V, Military Leave:

Unless his/her military organization requires a specified time for the training period, the employee shall arrange with his/her Department Head for a mutually suitable time period. Employees shall be granted twenty (20) days of paid leave for each calendar year for active-duty training.

SECTION 16. Whenever a request is made by a member of the public for copies of City records, the

following fees are hereby levied and shall be paid by the requesting party in order to defray the City's costs:

- A fee of fifteen cents (\$0.15) per page per each standard 8 ¹/₂ by 11 or 8 ¹/₂ x 14 black and white copy produced.
- (2) A fee of fifty cents (\$0.50) per page per each $8\frac{1}{2} \times 11$ or $8\frac{1}{2} \times 14$ color copy produced.
- (3) If the time reasonably necessary to produce the requested records, including time spent locating, retrieving, reviewing, redacting, and reproducing the records, exceeds more than one (1) hour, the City is permitted to charge the hourly wage of the employee(s) producing such requested records. The hourly wage is based upon the base salary of the employee(s) and does not include benefits. If an employee is not paid on an hourly basis, the hourly wage shall be determined by dividing the employee's annual salary by the required hours to be worked per year.
- (4) Any records request not subject to the provisions of the Tennessee Open Records Act may be provided at the discretion of the department head at a reasonable rate considering the employees' time and expenses to provide the records.

<u>SECTION 17</u>. That, pursuant to the Charter, it shall not be lawful for any department, agency, or branch of the Government to expend any money other than the purpose for which it was appropriated, nor shall the expenditures for a purpose exceed the appropriation for said purpose.

<u>SECTION 18</u>. If at any time the actual receipt of revenues is projected to be less than the estimated revenues, it shall be the duty of the Mayor to forthwith initiate an ordinance amending this budget ordinance so as to appropriately reduce or otherwise change the various appropriations made herein which, in the judgment of the City Council, should be made.

<u>SECTION 19.</u> The City Finance Officer is hereby authorized to transfer monies from one appropriation to another within the same fund as may be necessary to meet expenditures for the fiscal year 2018.

<u>SECTION 20</u>. In addition to FY18 appropriations for current year expenditures, funds shall be appropriated to meet obligations carried forward from prior year open purchase order balances in each fund. Such appropriation shall be from the fund balance of each respective fund.

SECTION 21. That Ordinance 11941 dated March 14, 2007 amended the Chattanooga City Code, Part II, Chapter 24 relative to parking, per Section 24-335, the City delegated the Management responsibilities for parking meters within the Special Parking Management Districts to Chattanooga Area Regional Transportation Authority. By this Budget Ordinance, any revenue in excess of the cost to CARTA for operation of metered parking spaces within the Special Parking Management Districts be appropriated to CARTA to be utilized for CARTA's parking management operations, including the costs of acquiring and maintaining parking equipment and systems and enforcement of these ordinances, as well as the acquisition, construction, and maintenance of off-street parking facilities and the provision of passenger shuttle services in the downtown Chattanooga area.

SECTION 22. That Chattanooga City Code, Part II, Chapter 31, Article II, Section 31-36(a), be and the

same is hereby deleted and the following substituted in lieu thereof:

(a) <u>Enumeration of charges; quantity of water used</u>. Sewer service charges shall be based upon the quantity of water used as shown by water meter readings and shall be the dollar amount derived by applying the total charge in dollars per one thousand (1,000) gallons for the quantities of water shown in the following table:

	FY19
User Class	Total Charges
<u>(gallons)</u>	<u>(\$/1,000 gallons)</u>
First 100,000	\$10.92
Next 650,000	8.12
Next 1,250,000	6.60
Next 30,000,000	5.57
Over 32,000,000	5.42

In addition, the total charges derived from the above chart for residential users will be multiplied by ninety (90) percent to compensate for water use not going to the sewer such as lawn and garden watering. Any residential location where a separate water meter has been installed for the purpose of lawn and garden watering shall not be entitled to have the multiplier applied to any water consumed through the primary water meter. Each residence or apartment unit shall have a maximum monthly sewer service charge for a volume of no more than 12,000 gallons water used; unless the minimum charge due to water meter size exceeds the 12,000 gallon limit, and then the monthly sewer service charge shall be at least the minimum for that particular size water meter.

SECTION 23. That Chattanooga City Code, Part II, Chapter 31, Article II, Section 31-36(c) as relates to

sewer service charges and fees be and the same is hereby deleted and the following substituted in lieu thereof:

(c) Billable flow. The amount due from the regional user shall be the dollar amount derived by applying the total charge shown in the table below per one thousand (1,000) gallons of water sold.

If regional customers are billed directly through the water company, the rate to be charged shall be three dollars and eighty-two cents (\$3.82) per one thousand (1,000) gallons.

SECTION 24. That Chattanooga City Code, Part II, Chapter 31, Article II, Section 31-36 (d), be and the

same hereby deleted and the following substituted in lieu thereof:

(d) Total flow. The amount due from the regional user shall be the dollar amount derived by applying the total charge shown in the table below applied to the quantity of water measured by a flow meter installed and maintained at or near the point of connection between the system of the regional user and the Chattanooga system. In the event of any malfunction of said meters, flow shall be estimated, interpolated and/or projected in the most equitable manner possible. Such estimates, along with available readings for periods where there was no malfunction, shall be the basis for billing.

The minimum sewer service charge for residential users with various meter size shall be multiplied by ninety (90) percent to compensate for water use not going to the sewer such as lawn and garden watering. Any residential location where a separate water meter has been installed for the purpose of lawn and garden watering shall not be entitled to have the multiplier applied to any water consumed through the primary water meter.

SECTION 26. That Chattanooga City Code, Part II, Chapter 31, Article II, Section 31-41(c), be and the

same is hereby deleted and the following substituted in lieu thereof:

(c) Rates. Based upon the current cost of treating wastewater containing constituents with concentrations in excess of "normal wastewater," numerical rates are hereby established for Bc and Sc as follows:

Bc =\$0.1229 per pound of BOD for concentrations in excess of three hundred (300) milligrams per liter.

Sc =\$0.0852 per pound of total suspended solids for concentrations in excess of four hundred (400) milligrams per liter.

SECTION 27. That Chattanooga City Code, Part II, Chapter 31, Article II, Section 31-43 (b), (f) and (g)

be and the same are hereby deleted and the following substituted in lieu thereof:

(b) *Fees for garbage grinders.* Any user of a garbage grinder, except users in a premise used exclusively for an individual residence, shall be charged at a rate of

three hundred thirty six dollars (\$336.00) per month. The superintendent shall bill users on a quarterly basis and the bills shall be due and payable within fifteen (15) days following the last day of the billing period.

- (f) *Fees for septic tank discharge*. All persons discharging concentrated, domestic septic tank sewage waste from a truck under the provisions of Article III of this Chapter shall be charged at the rate of one hundred twenty-nine dollars (\$129.00) per one thousand (1,000) gallons of such waste. The minimum charge for septic tank discharges shall be one half (1/2) of the rate for one thousand (1,000) gallons of the rate in effect at the time of such discharge.
- (g) *Fees for holding tank wastes.* All persons discharging any holding tank waste authorized pursuant to division 6 of this article shall be charged at the rate of ten dollars and ninety-two cents (\$10.92) per one thousand (1,000) gallons of such discharge, plus any surcharge rate authorized by Article III of this chapter for concentrations of pollutants in excess of normal waste water without regard to the definition of the industrial user or other limitations set forth in such section. The Plant Manager may also require a chemical analysis of such waste and charge therefore.
- (h) Late fees of 10% (ten) shall be applied to all amounts billed but not received by the due date indicated on the invoice.
- (i) An applicable disconnect fee may be assessed for delinquent accounts.

SECTION 28. Notwithstanding any other provision of this Ordinance to the contrary, water providers

within the City of Chattanooga shall bill according to the new Chattanooga sewer service charges effective on

the 1st day of October 2018 until further notice.

SECTION 29. That per ordinance 12377 Section 2 Amending City Code, Part II, Chapter 31, Article

VIII, Division 7, Fees, Section 31-354 the annual City of Chattanooga Water Quality fee for bills issued on or

about October 1, 2018 for calendar year 2018 will be \$126.49 per Equivalent Residential Unit (ERU) for Residential and Non-residential Properties.

SECTION 30. That Chattanooga City Code, Part II, Chapter 31, Article VIII, Division 3, Land Disturbing Activity and Erosion and Sedimentation Control, Section 31-322, be and the same is hereby deleted and the following substituted in lieu thereof:

No Land Disturbing Activity or associated activity in this Article, whether temporary or permanent, shall be conducted within the City of Chattanooga until a land disturbing permit has been issued by the City. Such permit shall be available for inspection by the City on the job site at all times during which land disturbing activities are in progress. Such permit shall be required in addition to any building permit or other permit required upon the site.

Each application for the issuance of a land disturbing permit under this article shall be accompanied by a nonrefundable permit fee subject to the following fee schedule:

Permit	Fee
Simple residential	\$250 min. (up to 1 acre distributed area)

BUDGETED Sources & Uses of Funds BY FUND TYPE Fiscal Year Ending June 30, 2019

Fund Balance/Net Position Summary

During the past five years the City of Chattanooga has seen a total net increase in its Governmental Fund Balances of \$52.0 million or 36.8%. This is due to the increase in the fund balance for the Capital Fund of \$16.8 million or 39.0%, an increase in General Fund of \$31.4 million or 39.9% and an increase in Special Revenue Funds of \$5.8 million or 39.9%. Debt Service Fund balance decreased \$2.0 million or 40.4% during this period.

Fund Balance/Net Position Summary

The General Fund Balance was \$78,711,978 in FY14. This has risen to a current unaudited balance of \$110,140,534 for FY 2018. The increase is primarily due to conservative budgeting resulting in positive variances in expenditures largely because of funded vacancies and conservative revenue estimates.

The Special Revenue Fund Balance increased from a balance of \$14,507,137 in FY14 to a FY18 unaudited balance of \$20,297,519. The City earmarks .25 percent of its share of the local option sales tax for economic development. These funds are dedicated to supported capital and the payments for the retirement of the Lease Rental Revenue Bonds.

Debt Service Fund Balance was \$5,020,752 in FY14, decreasing to \$2,990,089 by the beginning of FY19.

The Capital Fund Balance has fluctuated most during the past few years. This is primarily because the city recorded \$33 million bond proceeds in FY16. Since FY14, the balance has increased from \$43,202,659 to an unaudited \$60,054,687 at the beginning of FY19.

The Net Position within the Enterprise Funds (excluding the Electric Power Board) has been most dramatic. Net Position of \$318.414.643 in FY14 has increased to a FY18 unaudited balance of \$462,544,215. For more than fifteen years, the City has been subject to federal mandates relative to water quality and landfill operations which necessitated the imposition of a water quality fee and increased landfill rates to fund such mandates. In FY11, 5% increase was applied to sewer rates. In FY 12 and subsequent years rates have increased 9% per year to meet requirements of the consent decree. The Water Quality fee had remained constant at \$24.00 for two (2) or less residential units on a lot of 10,000 square feet or less since 1993. Due to increased Federal and State requirements for the current NPDES Permit, the Water Quality fee has been adjusted to \$126.49 per ERU (equivalent residential unit). One ERU is equal to 3,200 square feet of impervious area of residential property.

The Internal Service Fund Net Position was \$43,202.659 in FY14. At the beginning of FY19, this fund is projected to have an unaudited Net Position of \$45,913,533. This fund is not intended to generate profits. The Internal Service fund also includes a Health & Wellness Fund which

includes On Site Pharmacy, On Site Clinic & Wellness and employee healthcare costs. Balance includes \$12.2 million in reserves to pay medical claims.

The chart on the previous page plots the year-to-year changes in Fund Balances for the governmental fund types in the City of Chattanooga. The subsequent Fund Balance schedules are inclusive of all reported funds found in and outside of the budget ordinance, while the departmental sections present only funds which are accounted for in the budget ordinance.

Undesignated General Fund

Fiscal Year Ending June 30, 2019

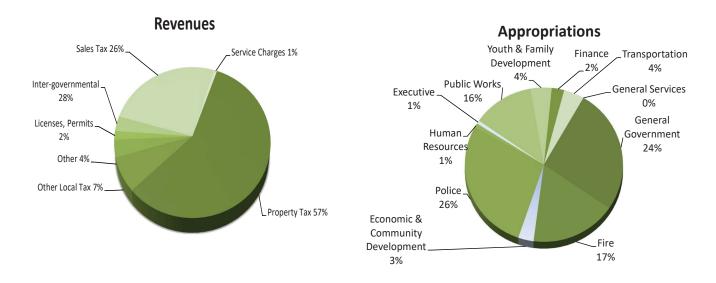

Fund Structure

The Undesignated General Fund accounts for all financial resources applicable to the general operations of city government which are not accounted for in another fund. This fund is the only unrestricted fund of a government unit. The basis of budgeting is modified accrual. Revenue is recognized in the accounting period when it becomes "susceptible" to accrual, that is, when it becomes measurable and available to finance expenditures of the fiscal period. Expenditures are recognized in the accounting period in which the fund liability is incurred, if measurable, except for unmatured interest on general long-term debt and certain similar accrued obligations which should be recognized when due. Undesignated general fund operations budget is \$273,552,000 This includes funds of \$11,532,000 from reserves designated for Capital Improvements. The charts on this page relate to the undesignated general fund operations. In FY 2019, the budgeted expenditures for all reported General Fund is \$296,598,669 including designated general government and supported agencies. The largest designated fund is the Economic Development Fund with a budget of \$23,046,669.

The major revenues of the General Fund include: property taxes, other local taxes, licenses and permits, fines, forfeitures, and penalties, investment income, state and local sales taxes and other intergovernmental, and services charges. Departments of the General Fund include: General Government which includes Debt Service and Supported Agencies, Executive Branch, Finance & Administration, Human Resources, Economic & Community Development,

Revenues

The proposed Budget for FY 2019 shows an increase of \$10,140,000 or 3.85%. The increase is primarily in the Property Taxes and Sales Tax, both Local Option as well as state shared sales tax. The chart shows the Undesignated General Fund Revenues by Source for the fiscal years 2014 thru 2019. The State's IMRPOVE act reduces income tax rate by 1% beginning January 1, 2017 until complete phase out in year beginning January 1, 2020.

General Fund Revenues by Source

Property Taxes

FY 2019 Estimate:	\$150,669,978
% of General Fund:	57.5%
Growth From FY 18:	990,033
Change:	.66%

Current Real Property Taxes remain the primary source of funds for the City of Chattanooga, with the FY 2019 estimate of \$132,754,669 representing 48.52% of the total undesignated General Fund Budget. All property tax estimates inclusive of delinquencies and in lieu of tax payments total \$150,669,978 or 55.08% of the total undesignated General Fund budget. The current tax rate is \$2.277 per \$100 of the assessed valuation. This is considerably less than the 1995 rate of \$2.98. Revenues generated in 1997 with a \$2.70 tax rate amounted to \$61,533,569, while the estimate for FY 2019 is \$150,669,978, an increase of \$89 million.

Assessments for 1997 were \$2,295,859,675. This figure has risen to \$5,917,809,652, an increase of \$3,613,603,257 or 157% in the last 20 years. In recent years, assessments have trended upward slightly based on lateral reappraisals. Therefore, Current Real Property Tax revenue is expected to have minimal increases in the next few years.

Commercial and industrial property is assessed at 40%, while residential property and farms are assessed at 25% of the appraised value. Personal property is assessed at 30% of the appraised value. Public Utilities assessments are made by the State of Tennessee for all counties and cities in the state.

The property taxes levied on taxable assessed valuation in the City are billed by the City on October 1st of each year and are due without penalty by the last day of February of the following year. Taxes not paid by the due date bear interest at twelve percent (12%) per annum, and a penalty of six percent (6%) per annum, plus other penalties as provided by law, which shall be paid by the taxpayer except for taxpayers receiving tax relief under T.C.A. Sections 67-5-702 through 67-5-705. If a tax bill continues to be unpaid through June of such following year, it is turned over to a Delinquent Tax Attorney to be filed in the Clerk and Master's office of Chancery Court on July 1 of such year for collection. An additional fee of 10% is charged representing a 5% attorney's collection fee and a 5% City General Fund fee. Property is subject to a tax sale once taxes are delinquent for three years.

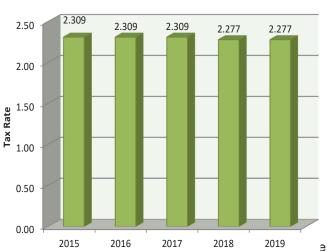

Historical tax rates per \$100 of assessed valuation are as follows:

Fiscal Years		
Ending	Rate	Rate Change Explanation
1994	2.620	
1995-1996	2.980	City Tax Increase - 1995 Tax Year
1997	2.700	Property Reappraisal - 1997 Tax Year
1998-2001	2.310	City Tax Decrease - 1997 Tax Year
2002-2005	2.516	City Tax Increase - 2001 Tax Year
2006-2009	2.202	Property Reappraisal - 2005 Tax Year
2010	1.939	Property Reappraisal - 2009 Tax Year
2011-2017	2.309	City Tax Increase - 2010 Tax Year
2018	2.277	City Tax Decrease - 2018 Tax Year
2019	2.277	City Tax - 2019 Tax Year

The 1995 increase in tax rates from \$2.62 to \$2.98 was the first tax increase imposed by the City since 1987 and was imposed primarily to provide funds for capital purposes. In FY02, a property tax increase of \$0.48 was approved increasing the rate to \$2.516. After the reappraisal in FY06, the tax rate was decreased to \$2.202. FY10 was a reappraisal year resulting in a decrease to \$1.939. In FY11, the City Council approved a \$0.37 or 19% increase in the tax rate. The approved rate is \$2.309. A one penny increase produces additional income of \$567,105.

Current City policy for budgeting is to estimate collections at 96% of the property tax levy. In 2014, the certified tax rate resulting from reappraisal is \$2.3139; Council elected not to increase the current City tax rate. In 2018, the reappraisal certified rate is \$2.057. The tax rate changed to \$2.277 The rate for 2019 remains the same.

Payments In Lieu of Taxes.

Property Tax Rates (per \$100 of Assessed Valuation)

City receives sizeable in lieu of tax payments each year. Companies paying in lieu of taxes include, but not limited to, Tennessee Valley Authority, Blue Cross Blue Shield, Gestamp, Westinghouse, and Plastic Omnium.The collection of in lieu of taxes (excluding EPB) accounts for \$3,358,654, or 1.28% of the operating budget in FY19. Several PILOTS, including Volkswagon, include a waiver of 100% of City taxes in favor of school only for Hamilton County.

Pursuant to Tennessee Code Annotated 5-52-301 to 7-52-310, known as the Municipal Electric System Tax Equivalent Law of 1987, the minimum levy for the EPB is \$2,296,692, according to a new formula specified in the 1987 Law based on a revenue floor of \$5,635,434. This revenue floor was exceeded in fiscal year 1994, resulting in a calculation which generated less PILOT collection for the City. The estimate to be received from Electric Power Board for FY 2019 is \$7,347,051, which is 4.26% over FY18. The EPB in lieu of tax is made of three pieces; Electric, Telecom, and Internet.

Other Local Taxes:

Decrease From FY 18:	(471,000)
Change:	-7.7%

Even though Gross Receipts Taxes are a steady source in the General Fund, they represent only 2.16% of total collections this year. The trend over the past five years shows a slight upturn which is not expected to continue for FY19.

Beer & Liquor Taxes

FY 2019 Estimate:	\$8,511,000
% of General Fund:	3.25%
Decrease From FY 18:	(465,000)
Change:	-5.18%

Beer & Liquor Taxes make up approximately 44% of Other Local Taxes. There was a downturn in Beer Taxes because of a change in how the rates were calculated at the state level in FY15.

Building Permits are the single greatest revenue generator in the category of Licenses & Permits. As shown in the chart below, revenue estimates for Building Permits have increased since 2013, reflecting the rebuilding of the housing market over that period of time. Revenues declined in 2013 - 2014. Permits spiked in 2015, mostly due to incoming industry in Chattanooga. FY 2019 shows an expected increase of more than 6% due to a strong economy and increase in construction for commercial and residential properties.

The Local Option Sales Tax, is another principal source of revenue for the City. In accordance with the 1993 Local Option Revenue Act Title 67, Chapter 6, Part 7 of the Tennessee Code Annotated, as amended. The City of Chattanooga and the citizens of Hamilton County have adopted, by referendum, a county-wide sales tax of 2.25%.

The revenues from the county-wide sales tax are distributed pursuant to the provisions of the Act and other provisions of the Tennessee Code Annotated. Fifty percent of the revenues raised through a county wide sales tax are directed to education. .25% of the sales tax collected in Chattanooga is earmarked and reported in the Economic Development Fund.

There was a steady incline in Local Option sales tax revenues since 2010. This was a reflection of the economic climate during those years. In FY2012, the City regained control of approximately \$10 million of sales tax managed on its behalf by Hamilton County under a 1966 Sales Tax agreement. The Local Option Sales Tax is expected to increase \$6,632,493 in FY19.

The Local Option Sales Tax represents 20.01% of the total General Fund revenues for FY 2019.

Special Revenue Funds

Fund Structure

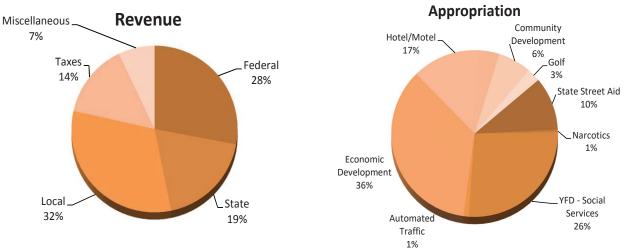

Fiscal Year Ending June 30, 2019

Special Revenue Funds are used to account for revenues from specific taxes or other earmarked revenue sources which by law are designated to finance particular functions or activities of government. The basis of budgeting for these funds is modified accrual. Revenue is recognized in the accounting period when it becomes "susceptible" to accrual, that is, when it becomes measurable and available to finance expenditures of the fiscal period. Expenditures are recognized in the accounting period in which the fund liability is incurred, if measurable, except for unmatured interest on general long-term debt and certain similar accrued obligations which should be recognized when due. Included funds are State Street Aid, Youth & Family Development (YFD) - Social Services, Economic Development, Narcotics, Community Development, Hotel/Motel Occupancy Tax Fund, and Municipal Golf Course Fund. While presented in the chart & graphs below, the Economic Development Fund, Golf Course, and Automated Traffic Enforcement are reported as a designated portion of General Fund.

Revenues

State Street Aid

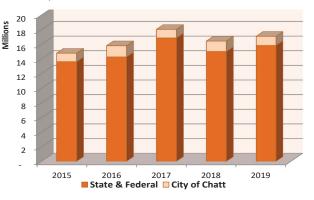

This fund was established to receive and account for the State's distribution of the gasoline fuel tax. Funds received in this fund are restricted to municipal street related projects. In FY18 the State Legislature passed the IMPROVE Act. One of the main things it enhances existing revenues for the highway fund by increasing fuel taxes and identified over 900 transportation projects to be paid for with the increase. The fuel tax dedicated to the State Street Aid fund increased from \$975K in FY18 to \$1.1M in FY19. The allocation to cities is based on per capita and set annually by the Tennessee State Legislature. The rate for FY19 is \$34.30 per capita. The revenue

trend has been increasing slightly and is expected to continue in FY19.

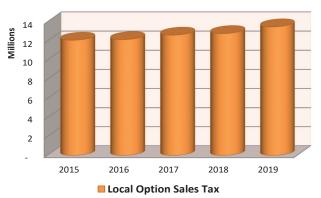

YFD - Social Services Fund

YFD - Social Services receives Federal, State, and City appropriations as well as some program fees. The City's funding has decreased from last year. FY18 had \$1,426,650 while FY19 budget totaled \$1,259,643. Overall, the fund has a 1.01% increase resulting from non-City revenue sources.

Economic Development Fund

In August 1997, the citizens of Chattanooga approved a half-percent tax on retail sales in the city. Revenues from this tax were shared on a 50/50 basis for education and economic development. In a county-wide election in February 2004, the residents of Hamilton County voted to increase the county-wide local option tax rate from 1.75% to 2.25% thereby repealing the city-only 1/2% tax. The additional taxes generated by the 1/2% increase in the county-wide tax will be distributed to the county, city and education in accordance with TCA 67-6-712 which requires that 50% is used for education and the remainder on a situs basis. The education component is distributed directly to the Hamilton County Department of Education. Local Option Sales Tax budget has risen \$702,068 to \$13,484,968 in FY 19 from 12,782,850 in FY 18, 5.5% increase.

Hotel-Motel Occupancy Privilege Tax Fund

The City of Chattanooga has the authority to levy a privilege tax on the occupancy of hotel/motel rooms by transients. Pursuant to T.C.A67-4-1401, et seq. and City Ordinance No 11303, the City has levied such a tax. The tax is set at 4%.

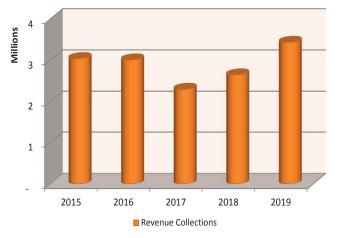

The FY19 budgeted revenue totals \$7,943,531, which is \$368,531 higher than FY18 totals of \$7,575,000.

Community Development

Annual funding is allocated by the U.S. Department of Housing and Urban Development which amounts awarded fluctuates each year.

The FY19 budgeted revenue totals \$3,438,143, which is a 29.7% increase over FY18. This increase is due to an expected increase in program income.

Community Development Collections

Municipal Golf Course Fund

Revenues come mainly from green fees and golf cart rentals. Overall, estimated revenues are expected to be \$1,711,385 which is -0.73% lower than last fiscal year.

Automated Traffic Enforcement Fund

Revenues comes primarily from automated traffic and speeding fines. The FY19 revenues are estimated at \$655,700. Collections are being decreased based on the steady decrease in actual collections resulting from services with a new vendor which was established in FY14 and legislature change resulting in a phase out of certain fixed or mobile camera subject to enforcement.

Narcotics Fund

Revenues come mainly from confiscated funds which include forfeited cash and proceeds from the sale of items seized. Funds are also received from Federal and State. Total collections tripled in FY15 due to a significant increase in confiscated funds. However, this increase is not expected to be sustainable long term. FY19 budgeted revenue totals \$310,000, which is the same as FY18. Revenue fluctuates from year to year based on police drug investigations and activities

Federal Asset Foreiture Fund

Revenues come mainly from Federal Funds. FY19 has no appropriated budget and FY18 Budget of \$500,000 consisted of a one-time capital appropriation of \$250,000. to capital.

Expenditures

State Street Aid

State gasoline fuel tax distribution is collected into this fund and used for major street improvements and construction in the Chattanooga area, under State guidelines. The primary use of these funds are personnel, vehicle, and road repair and construction costs. Expenses for FY19 are estimated to increase approximately 12.48% from FY18 mainly due to an increase in the planned appropriation to paving capital as a result of the 2017 IMPROVE Act increasing fuel taxes to fund highway and transportation projects. The City is proposing \$1,100,000 for this Act specifically.

YFD - Social Services

This fund supports numerous Federal and State Funded Programs which are offset by Federal & State Grants. The expenses to administer the program are also included within the fund overall expenses. Social Service's expenses in FY19 are estimated to increase 1.01%. The Headstart Program has decreased due to reduction of Federal/State Funding.

Economic Development Fund

There is an overall increase of 80.29% in FY19 due to the increase in the capital fund appropriation as well as new programs including Chattanooga State and Carter Street Corporation. There was not any expenditures relating to the Industrial Development Board, a change from the previous year.

During FY2019, \$9,520,769 will be allocated to lease rental payments for Lease Rental Revenue Bonds on behalf of the Chattanooga Downtown Redevelopment Corporation. The remaining funds are dedicated to economic development projects in downtown Chattanooga and Enterprise South.

Narcotics Fund

This fund accounts for the cost of drug enforcement activity which includes purchase of surveillance equipment, drug identification kits, maintenance on narcotics officers' vehicles and pay to informants. Funds can also be used for local drug treatment and educational programs.

Hotel-Motel Occupancy Privilege Tax Fund

This tax is used to fund improvements in the downtown and riverfront area to encourage tourism and enhance quality of life. This tax is dedicated to the 21st Century Waterfront Plan which involved redevelopment of the city waterfront. The Waterfront Plan, with an estimated cost of \$120 million of which the City funded \$55 million, was funded jointly by the public and the private sectors. Current funds will be used to pay debt service on the Hotel-Motel Tax Bonds and fund any additional waterfront related capital costs. There was \$6,800,000 appropriated for capital in FY19 while FY18 had \$4,700,000.

Community Development

This fund receives federal grants directly from HUD as well as grants administered through the State of Tennessee. Each year the expenses from one block grant year to the next spans multiple fiscal years because the City's fiscal year is different than the Federal government's fiscal year. The federal funding is on a draw down basis as expended by the entity; therefore due to the spending rate of specific qualified programs the expenses will vary from year to year. Expenses for FY19 are expected to increase 58.5%.

Municipal Golf Course Fund

Funds are used to cover the operational cost of the City's two golf courses; Brainerd and Brown Acres The primary costs are personnel and purchased services. Expenses for FY19 are estimated to decline approximately 0.73% from FY18.

Automated Traffic Enforcement Fund

Funds used to account for automated traffic enforcement operations including student driver training. Expenses for FY19 are estimated to remain the same as the previous year.

Enterprise Funds

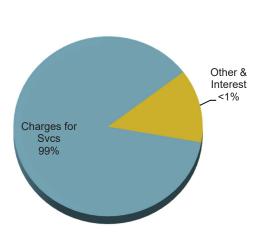

Fiscal Year Ending June 30, 2019

Fund Structure

Enterprise Funds are used to account for activities that the City operates as private enterprises. An Enterprise Fund might be established because an operation is expected to cover its costs (including depreciation expense) through user charges or because the City believes it is necessary to account for income and capital maintenance. The budgetary basis of accounting for these funds is the full accrual method where measurement focus is their economic resources, much like that of a private-sector business. Revenues are recognized as soon as they are earned and expenses are recognized as soon as a liability is incurred, regardless of the timing of related cash inflows and outflows. The Comprehensive Annual Financial Report (CAFR) shows the status of the funds finances on the basis of Generally Accepted Accounting Principals (GAAP). The City of Chattanooga has four (4) budgeted Enterprise Funds: Interceptor Sewer Fund, Water Quality Management Fund, Solid Waste, and Tennessee Valley Regional Communication. For fiscal year ending June 30, 2018 the budgeted and unaudited revenue and expenses are in the table below. The FY 2019 Budget for revenues and expenses is provided in the graphs below:

Revenues

Interceptor Sewer Fund

Sewer Service Charges. Revenues to operate, maintain and finance the System are derived primarily from sewer service charges collected from residential, commercial and industrial customers using the System. Effective June 26, 2015 sewer service charges for the City are collected via the City Treasurer's Office, based on water meter data provided by the Tennessee-American Water Company, or they are collected through the Hixson Utility District and Eastside Utilities. The sewer service charge rates are based upon the quantity of water used and are expressed as cents per thousand gallons.

Regional users such as Walker County, Georgia, the City of Collegedale and the Town of Lookout Mountain, Tennessee are billed on the basis of metered water consumption. This method of billing does not allow for the recovery of costs incurred to treat flows beyond the amount of water purchased, such as inflow and infiltration into the System. However, the wheelage and treatment rate is approximately two times the total metered flow rate, therefore, payment is made for some inflow and infiltration. The City of Chattanooga has installed flow metering stations on the discharge lines connecting regional users so that they may be billed on the basis of total measured wastewater flow, under the EPA approved user charge system.

The sewer service charges for the regional users (Windstone, Rossville, Northwest Georgia, Dade County, Ringgold, Collegedale, Lookout Mountain, TN, Lookout Mountain, GA, Hamilton County, East Ridge, Soddy Daisy, Red Bank and Walker County) are based on a regional service charge rate schedule (wheelage and treatment). The regional service charge rate schedule currently in effect provides rate schedules for billing the regional users on either a metered water consumption basis (billable flow method) or a total measured wastewater flow basis (total flow method). This allows the City to begin billing the regional users on a total flow method immediately upon completion of successful contract negotiation for total flow method billing. Other System revenues come from an industrial user sewer surcharge, truck discharge operation permit fees, septic tank discharge fees, holding tank discharge fees, service line connection fees and garbage grinder usage fees.

The City operates the System on a self-supporting basis from sewer service charges and fees. The July 1, 2018 approved rate schedule, is as follows:

Enumeration Of Charges - Quantity of Water Used

Sewer service charges are based upon the quantity of water registered by water meters. The dollar amount is derived by applying the total charge in dollars per one thousand (1,000) gallons for the following quantities of water:

FY 19
Total Charges
<u>(\$/1,000 gal)</u>
\$ 10.92
8.12
6.60
5.57
5.42

Regional Service Charge Rate (Wheelage and Treatment)

The regional sewer service user charge (wheelage and treatment) shall be collected from regional users of the system including Rossville, Northwest Georgia, Dade County, Ringgold, Collegedale, Lookout Mountain, TN, Lookout Mountain, GA, Hamilton County, East Ridge, Soddy Daisy, Red Bank and Walker County and shall be determined either under the "billable flow" method based upon quantity of water used as shown by applicable water company meter readings or the "total flow" method based upon flow meter measured flow accordingly to the applicable contract with the regional user.

Billable Flow

The amount due from the regional user shall be the dollar amount derived by applying the total charge shown in the table below per one thousand (1,000) gallons of water sold.

	egional Operation &	Regional Debt	Total Regional Charge
	aintenance Charge	Charge	Wheelage & Treatment
	(\$/1,000 gal)	(\$/1,000 gal)	(\$/1,000 gal)
Wheelage & Treatment	\$ 3.1020	\$ 0.7147	\$ 3.8167

If regional customers are billed directly through the water company, the rate shall be three dollars and eighty-two cents (\$3.82) per one thousand (1,000) gallons.

Total Flow

The amount due from the regional user shall be the dollar amount derived by applying the total charge shown in the table below applied to the quantity of wastewater measured by a flow meter installed and maintained at or near the point of connection between the system of the regional user and the Chattanooga System. In the event of any malfunction of said meters, flow shall be estimated, interpolated and/ or projected in the most equitable manner possible. Such estimates along with available readings for periods where there was no malfunction shall be the basis for billing.

User Class	Regional Operation & Maintenance Charge (\$/1,000 gal)	0	Regional Total Charge Wheelage & Treatment (\$/1,000 gal)
Wheelage & Treatment	\$1.7454	\$ 0.4434	\$2.1888

Monthly Minimum Sewer Service Charges

Minimum sewer service charges based upon water meter connection size are as follows:

FY19 10/1/2018	
Meter Size	Charge per Month
5/8"	\$ 22.43
3/4"	80.03
1"	139.84
1 1/2"	312.97
2"	554.14
3"	1,298.96
4"	2,400.51
6"	5,717.62
8"	10,113.44

Industrial User Sewer Surcharge

An industrial user surcharge is levied upon industrial users which discharge wastewater in concentrations in excess of "normal wastewater" at the following rates:

- \$0.1229 per pound of 5-day biochemical oxygen demand (BOD₅) for concentrations in excess of three hundred (300) milligrams per liter, and,
- 2. \$0.0852 per pound of total suspended solids for concentrations

in excess of four hundred (400) milligrams per liter.

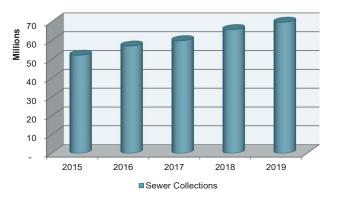

The City has also established the following fees and charges:

- 1. A Sewer Service Line Connection Fee of \$800;
- 2. A Truck Discharge Operation Permit Fee of \$100 per truck per year;
- 3. A Septic Tank Discharge Fee of \$129.00 per 1,000 gallons of waste;
- 4. Holding Tank Waste Fee of \$10.92 per 1,000 gallons of waste and
- 5. Garbage Grinders Fee of \$336.00 per month per unit.

The City remains committed to keeping the System selfsupported from sewer revenues including adoption of any necessary sewer rate increases to ensure that it remains self supporting. Increases since FY2013, reflect financing to provide for continuing program of upgrading the City's interceptor sewer system in compliance with EPA consent decree requirements. The following is a history of rate increases since 1988:

FYE 6/30	Rate	FYE 6/30	Rate
1988-1990	6.14	2005	2.54
1991	5.24	2006	0.00
1992	3.32	2007	15.48
1993	5.79	2008-2009	6.00
1994	3.00	2010-2011	3.00
1995-1999	0.00	2012	5.00
2000	(10.00)	2013	9.50
2001-2002	0.00	2014-2018	9.80
2003	7.29	2019	6.00
2004	7.07		

Below is the sewer system's historical trend of collections. Revenue increases can be attributed to the completion of several construction projects bringing more taps on line and rate increases to address the CMOM (Capacity, Management, Operations and Maintenance) project proactively.

Solid Waste Fund

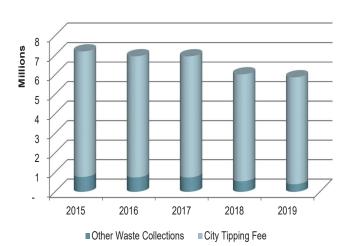

This fund accounts for the costs associated with the disposal of solid waste and recyclable materials. Section 68-31-874 (a) of the Tennessee Code Annotated sets forth the accounting requirements for financial activities related to the management of solid waste. Effective July 1,1993, it became a requirement to account for the operation of a landfill as an enterprise fund.

Landfill Tipping Fees. Revenues to operate, maintain and finance the Solid Waste Disposal System are derived primarily from tipping fees charged at the disposal sites. Municipalities may impose such a fee upon each ton of waste or its volume equivalent received at such a disposal facility. During FY 98/99, the disposal operation was relocated to a new site in Birchwood as the available space at the old facility had been depleted. The new location is farther away from the center of the city, which has led some disposal companies to reroute their disposal traffic to other regional disposal facilities more conveniently located. The new sanitary landfill also stopped accepting construction waste; the construction debris site is operated by a private company. These changes have led to a reduction in the projected revenue for the fund but should result in a longer life for the landfill.

Solid Waste Disposal Fee. Since the City garbage service is the primary customer, General Fund supports the Solid Waste Fund through a General Fund Waste Disposal Fee. The FY 19 budget is \$149,600 less than the year prior at \$1,109,275 due to the continued scaling back of landfill operations at Birchwood.

The chart below shows the historical trend of collections. The primary sources of revenues for this fund are landfill tipping fees and a City of Chattanooga waste disposal fee.

Solid Waste Revenue

Water Quality Management Fund

The Water Quality Management Fund was established in 1993 to comply with a Federal mandate for the City to control storm water runoff. The City is required to impose controls to reduce the discharge of pollutants in storm water to the maximum extent practicable using management practices, control techniques and system design and engineering methods for the control of such pollutants. This fund accounts for the construction and operation of the storm water system of the City.

For the purpose of operating the water quality program of the City and the payment of the cost and expenses appurtenant, incident or necessary thereto for the construction, extension, enlargement or acquisition of necessary storm water facilities or flood control improvement, including replacement thereof, and for the operation and maintenance thereof, there is imposed a water quality user's fee upon the owner of property served directly or indirectly by the City's storm water system. Based on an analysis of service levels, rates, and cash flow, the Council determined that it was in the best interest of the City, its citizens, and the users of the City storm water system to revise the mechanism for the financing of storm water and water quality facilities, systems, and services provided by the City through a revised water quality fee. While the residential fee of \$126.49 per ERU was implemented immediately following the study in 2011 per Ordinance 12523, the commercial rate was phased in over a 5 year period that ended in fiscal year 2015.

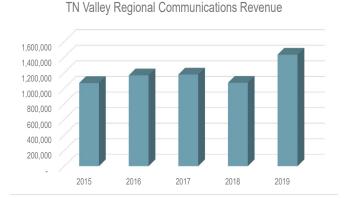

The revenue, \$22,082,400, for this fund is primarily derived from water quality fees which is up 15.12% over FY2018. The current year budget is \$2.9 million increase over the previous year's budget. This rate increase is for capital projects in targeted areas that will most benefit. The includes multiple sites such as Avondale YFD GI Project, Central Avenue Ext Separation Project, East Lake Restoration Project, and Green Alley Program.

Following is a chart showing the historical trend of fees collected:

Water Quality Collections

Tennessee Valley Regional Communication Fund Revenues come from fees assessed to both internal and external radio system users on an annual basis for system access and maintenance. In FY16, this fund was converted to an Enterprise Fund from a Special RevenueFund.

Expenses

Interceptor Sewer Fund

Expenses for the Interceptor Sewer System reflect major cost areas: personnel costs, chemical costs for liquid and solid handling, maintenance costs, electricity costs, pump stations, combined sewer overflow facilities and depreciation. Major capital expenses needed for the Moccasin Bend Wastewater Treatment Plant (MBWWTP), such as vehicle replacement, pump replacement, and major system repairs occur here. In FY19, the operations and maintenance budget increased \$1.4 million, or 3.14%, due primarily to increases in admin costs.

The debt service portion of the proposed budget for FY19 decreased \$2,473,533 or 16.83% in FY18. This change is due to the varying interest and principal payments on bonded debt and/or capital outlay notes required from one fiscal year to the next.

Solid Waste Fund

Expenses in the Solidwaste Fund include:

- Recycle Center
- Waste Disposal Landfill
- Compost Waste Center
- Debt Service
- Capital Projects

In February 1995, the City issued \$13,291,500 General Obligation Bonds for Solid Waste facilities improvements and equipment purchases. This issue provided financing for the capital improvements necessary for the landfill.

In March 1998 and March 2001, the City issued general obligation bonds totaling \$17.9 million and \$6.7 million respectively, to fund capital improvements at the Summit landfill and the new landfill located in Birchwood. In fiscal year 2004, the City issued \$540,000 general obligation bonds for capital improvements at the Summit landfill and \$5,705,097 in fiscal year 2006 for construction of additional landfill area located in Birchwood.

Major expenses of this fund are personnel, services, vehicle, and debt related costs. In FY19, there was an overall decrease in budget of \$632K or 9.72% due to a reduction in personnel. This reduction is due to the City contracting out its mulch operations to a third party vendor.

Water Quality Management Fund

As this is an Enterprise Fund, its major revenue is derived from the Water Quality Fee. Expenses in the Water Quality Management Fund include:

- Personnel
- Operations
- Debt Service
- Capital Projects

Due to requirements from the Tennessee Department of Environment and Conservation to obtain a NPDES Phase I permit, the City is required to implement new programs to improve the quality of storm water entering the system. As a part of this process the Public Works Department was reorganized in fiscal year 2011 to consolidate Water Quality related expenses. General Fund and State Street Aid costs were transferred to Water Quality along with thirty (30) General Fund and nineteen (19) State Street Aid positions. Currently, Water Quality has one hundred forty-three (149) funded positions.

The appropriation to capital for FY 2019 is \$4,625,000, a decrease from the \$6,343,000 from the year prior. These funds are to be used for creation and maintenance of existing sites to ensure proper storm water flow.

Tennessee Valley Regional Communication Fund

The Fund is for the Operations, Management, & Maintenance of the Regional Communications System. The TVRCS is a jointly funded Interoperable Public Safety communications system made up of Partners from the City of Chattanooga, 13 Counties in Tennessee & Georgia, & the State of Tennessee. The governance of the system is handled by an Advisory Committee composed of a member from each of the Partners. Expenses for FY19 are estimated to be \$1,431,536.

168 | COMPREHENSIVE ANNUAL BUDGET REPORT

Internal Service Funds

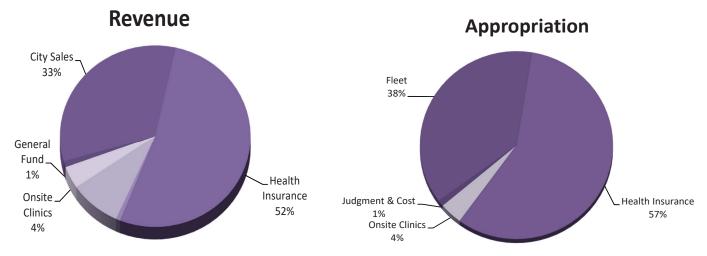

Fiscal Year Ending June 30, 2019

Fund Structure

Internal Service Funds are used to provide goods or services to other governmental operating units such as departments, bureaus, and agencies. The cost associated with providing these goods or services is usually recovered from those governmental units that receive benefits. The budgetary basis of accounting for these funds is the accrual method with economic resources measurement focus, much like that of a private-sector business. Revenues are recognized as soon as they are earned and expenses are recognized as soon as a liability is incurred, regardless of the timing of related cash inflows and outflows. Funds are reported on GAAP basis in CAFR. For fiscal year ending June 30, 2018 the budgeted and unaudited revenue and expenses are in the table below. The FY 2019 Budget for revenues and expenses is provided in the graphs below:

Municipal Fleet Services Fund accounts for revenues and expenditures associated with the operation of the City's garage, service station, and fleet leasing services. The cost for these services are paid by the departments and agencies of City government and charges to external agencies.

Liability Insurance Fund accounts for the City self-insurance programs for claims and losses due to liabilities arising under the laws of State and Federal governments. The costs for these programs are funded through premiums paid by the departments and agencies of City government.

Health & Wellness Fund accounts for the health insurance, onsite clinic, and wellness program benefits for current employees and retirees. The costs are funded by employee and department/agency premiums as well as retiree cost through the Other Post Employment Benefit Trust Fund.

Revenues

Municipal Fleet Services Fund

Service Station and Garages. Revenues to operate, maintain, and finance the Fleet Services are derived primarily from sales of fuel, parts, labor, and leased vehicles to City Departments and other municipalities and agencies.

The estimated garage collections are budgeted to increase in FY2019 while the service station will be slightly down by 1.6%. Users will pay a \$85.00 per hour charge for garage services for vehicles that are not part of the lease program. For budgeting or planning purposes during FY19, a 25% premium is applied to parts billed to departments. Gasoline and diesel fuel will be billed to departments with an approximate 10% premium applied to cost.

Fleet Leasing Program. Beginning in FY19 is the Vehicle Replacement Program, a change from the Fleet Leasing Program in which departments will bear more fiscal responsibility when unavoidable damage occurs to the vehicle. The program will continue to have new vehicles purchased, owned and maintained by Fleet Services and leased to the various departments and agencies at a fixed rate. Started in FY07 and designed to replace the entire fleet over a period of six years, the program is expected to both provide the capital for vehicle replacement going forward and reduce maintenance costs with the progressive replacement of the oldest vehicles in the city fleet with new vehicles. In FY14, in order to relieve some expenses to the departments, the capital replacement component of the lease rate was suspended temporarily. The capital replacement component of the lease rate was restored in FY15 and has continued thru FY19.

Liability Insurance Fund

Revenues to operate this fund are primarily premium payments from the General Fund. Revenue and expenses have fluctuated over the past four years. The premium requirement from General Fund fluctuates from fiscal year to fiscal year depending on the outstanding liabilities and potential outcomes based on the opinion and advice of the City Attorney.

Health & Wellness Fund

Revenues are generated from health insurance premiums charged to employees, retirees, departments, agencies, and from charges to departments and agencies for the onsite medical clinics and wellness initiatives. The City currently operates a consolidated facility which houses a clinic, an employee fitness facility, and a pharmacy located at 612 East 11th Street.

Expenses

Municipal Fleet Services Fund

Disbursements for these funds are primarily for personnel, fuel, inventory supplies, and vehicle purchases. The City continues to purchase more fuel efficient vehicles in an effort to minimize costs. FY19 projects a decrease in expenses over FY18 budget for the Service Station. As more vehicles are added to the Fleet Leasing program, Leasing Operations cost may rise. The budget for fiscal year 2019 is approximately \$644,177 below prior year budget.

Liability Insurance Fund

Expenses fluctuate from year to year depending on advice of Counsel as a result of claims made against the City.

Health & Wellness Fund

Expenses are primarily for employee and retiree health insurance claims and the cost of operating the onsite clinic and wellness program. The City also invests in stop loss insurance so as to mitigate the financial impact of unusually large medical claims.

DEPARTMENTS

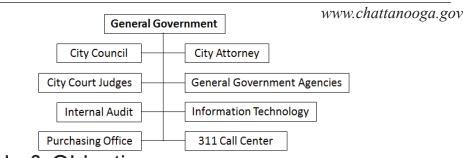

General Government

Mission:

To administer the executive, legislative, legal and judicial affairs for the City of Chattanooga.

Description:

The General Government budget provides for legal and legislative functions of government that pertain to the general day to day operations of the City of Chattanooga, as well as appropriations for most agencies and nonprofit organizations or other special funds to which the City contributes funding. The City Council Office and City Court Judges represent the elected officials of the City and their respective operations. The City Attorney's Office represents the City in all legal matters, litigating on behalf of the City, as well as providing legal advice to the governing body and other departments where appropriate. 311 Call Center simplifies citizen access to government by providing a single point of contact for all City services. The Department of Information Technology provides. maintains, and innovates, the information and telecommunications systems across the City. It is the policy of the Mayor to maintain a comprehensive program of internal auditing as an overall control measure and as a service to the City. Its purpose is to aid City management in achieving City goals without undue risk. Internal control functions by measuring and evaluating the effectiveness of other controls. It also serves as a deterrent to fraud, waste, and abuse. The Purchasing Department provides support to every department, division, and function of City governement. Services include procuring all supplies, equipment, materials, and services required for City operations.

Goals & Objectives

Develop prudent and applicable laws to further economic development, enhance educational opportunities and to respond to citizens requests as deemed prudent and necessary.

Supported Agencies

www.chattanooga.gov/finance/community-agency-support

Supported agencies are a portion of General Government and are primarily in two different categories. The first category is appropriations to special funds that are jointly supported with Hamilton County and/or some other agency which are accounted for in another fund on the City's books. These include Public Library, Regional Planning Agency and the Air Pollution Control Bureau. The Sales Tax Agreement that jointly funded those agencies ended during FY2011. The second category is appropriations to other organizations which the City Government determines meet the definition of serving a public purpose that are not accounted for on the City books. These include agencies such as Urban League, ARTS Build, and Chattanooga Neighborhood Enterprise (CNE). The following descriptions give a short explanation of each general government agency. Some of the appropriations are for closed-ended programs, but most are for ongoing programs or agencies which the City Government supports on a continual basis. Amounts are provided for Fiscal year 2018/2019 per City of Chattanooga Ordinance #13334.

AIM Center, Inc.

AIM Center offers critically-needed psychosocial, employment, and housing services in the Chattanooga public System of Care for mentally ill adults age 18 and older. Economic Development

www.chattanooga.gov

Description:

In 1997, the citizens of Chattanooga approved a half-cent tax on retail sales in the city. Revenues from this tax were shared on a 50/50 basis for education and economic development. In a county-wide election in February 2004, the residents of Hamilton County voted to increase the county-wide local option tax rate from 1.75% to 2.25% thereby repealing the city-only 1/2% tax. The additional taxes generated by the 1/2% increase in the county-wide tax are distributed to the county, city and education in accordance with TCA 67-6-712 which requires that 50% is used for education and the remainder on situs basis. The City should continue to receive a comparable amount for economic development from the countywide local option sales tax as it has in prior years. With the passage of the county-wide tax increase the education component is distributed directly to the Hamilton County Department of Education.

Human Resources

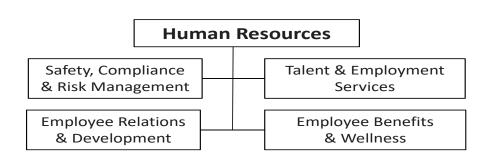

www.chattanooga.gov/human-resources

Mission:

Our Mission is to provide leadership, collaboration, and support services to departments in the selection, training, development, compensation, and well being of all employees. We will deliver best in class service to all customer groups including citizens, employees, retirees, dependents, and applicants with a positive, nurturing, and proactive approach. We strive to operate efficiently with integrity and transparency in support of the Mayor's vision of Renewing Chattanooga.

Description:

Human Resources works with each department to develop specific standards for the recruitment and hiring of a qualified, diverse workforce, and to help identify those employees who should be considered for promotion. The department also assesses job classifications, compensation and benefits, and offers employee relations initiatives, training and skill development. Additionally, the Human Resources Department maintains a competitive and guality health and wellness program including an onsite medical clinic and pharmacy dedicated to employee wellness. All safety issues and on-the-job injuries are addressed by Human Resources. The department also offers an Employee Assistance Program for confidential counseling service.

Provide leadership, collaboration and support to all departments in the employment services of all applicants and employees

- 1. Recruit and retain a well qualified, diverse workforce.
- 2. Monitor overall satisfaction with new hires from both the manager and new hire's perspective.
- 3. Ensure a proactive and consistent process for monitoring pay equity and consistency.
- 4. Ensure there is consistent and transparent compliance with all federal, state and city regulations, policies and procedures.

Deliver best in class service to all customer groups

- 1. Develop initiatives to help reduce overall turnover rate and work with each department to develop goals for departmental reduction of turnover rate.
- 2. Monitor overall employee satisfaction with all HR functions and service.
- 3. Continue to develop innovative approaches to employee well being, health and safety.

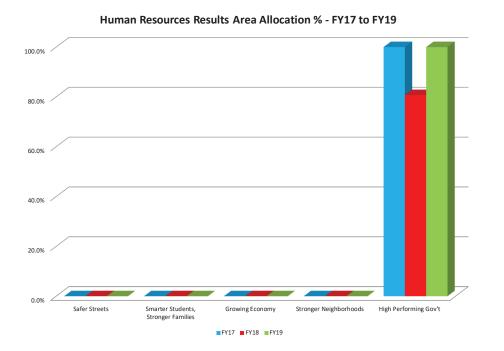

Provide continuous employee training and development for all departments and city employees

- 1. Determine percentage of employees who report they are satisfied with on-the-job learning and growth and development opportunities offered by the city.
- 2. Provide annual training needs assessments to determine development opportunities throughout the city.
- 3. Monitor feedback of all employee groups to ensure staff members, managers, peers and coworkers are displaying appropriate and professional employment behaviors that focus on a performance oriented work culture.

Community Development

www.chattanooga.gov/communitydev

Mission:

To improve housing and employment opportunities for all low-to-moderate income Chattanooga residents and to provide the support needed to stabilize and revitalize low income communities.

Description:

Community Development, using grants from the U.S. Department of Housing and Urban Development, is dedicated to the revitalization of low-to-moderate income neighborhoods and the economic improvement of its residents. The department funds affordable housing initiatives, employment and business assistance, public facility and infrastructure improvements, and social services to assist the community as a whole. Due to Community Development being fully funded by Federal grants, their operating budget is not part of the Budgeting For Outcomes (BFO) process. Community Development is not subsidized by the City.

Economic and Community Development Community Development Administration Projects

Goals & Objectives:

To increase availability and access to affordable, quality housing in the City's low-to-moderate income communities.

- 1. Increase neighborhood understanding of fair housing regulations to make sure good quality housing is accessible for lower income residents.
- 2. Increase the stock of available, quality housing by the creation of new homes and rental units or providing financing to enable residents to build a new home.
- 3. Help homeowners preserve existing housing and restore structures that have become uninhabitable.
- 4. Encourage home ownership as a means of further stabilizing the community.

To drive the revitalization of Community Development Block Grant eligible neighborhoods.

- 1. Strengthen the foundation of neighborhoods through infrastructure repairs and streetscape improvements.
- 2. Create or renew public facilities to be used as community centers in targeted neighborhoods.

To increase employment in lower income areas.

- 1. Use available resources and training to make sure that lower income residents have needed skills to get and retain good jobs.
- 2. Bolster the existing business base and encourage the creation of new enterprises through access to capital funds.

Fire

Mission:

To protect life, property and community resources through prevention, preparation, response and mitigation.

Description:

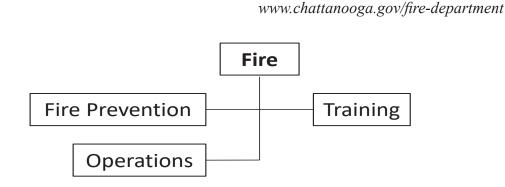

The department has four core divisions:

Fire Administration, Operations, Fire Prevention, and Training.

Operations includes 20 fire stations with 443 firefighters who respond to fire, automobile accidents, first response medical emergencies, hazardous materials incidents and other emergencies.

The Fire Prevention Bureau includes code enforcement, fire investigation, and fire safety education.

The Training Division provides instruction to all fire fighters on the latest tactics and technology in the fire service, and trains new recruits in fire academies.

Goals & Objectives:

Reduce fire fatalities and injuries for civilians and firefighters.

- 1. Meet or surpass National Fire Prevention Association (NFPA) reduction numbers for fatalities, injuries and total fires.
- 2. Pursue an aggressive fire prevention education program to reach throughout the community.

Reduce property loss resulting from fire.

Maintain or improve the City's Insurance Services Office (ISO) public protection classification in order to reduce insurance costs to residents and businesses.

Provide a timely first response to medical emergencies, and offer well-trained emergency personnel to administer appropriate treatment.

Provide a Homeland Security regional response.

1. Establish a regional response team that is capable and ready to respond to any chemical, biological, radiological, nuclear or explosive (CBRNE) incident, as well as hazardous spills or structural collapse emergencies.

Social Services - Federal Grants

www.chattanooga.gov

Mission:

To improve an individual's quality of life by providing a safety net of services for low income or disadvantaged citizens in Hamilton County through exceptional programming.

Description:

The Department of Human Services as a division of Youth and Family Development seeks to improve the lives of citizens in Hamilton County with a focus on lower income or disadvantaged citizens through a number of programs funded by the federal, state or local governments. Collaborations with internal and external partners provide services and connections necessary to achieve self-sufficiency. Services are provided through programs in Office of Early Learning/Chattanooga Head Start, Office of Family Empowerment and Foster Grandparent Program. The combination of programs offered creates smarter students and stronger families in line with the vision of the administration.

For both FY18 and FY19, this subsidy was entirely "Smarter Students Stronger Families" Results Area.

Transportation

www.chattanooga.gov/transportation

Mission:

To make efficient transportation viable for all commuters – cyclists, pedestrians, transit users and motorists while enhancing multi-use public spaces for all people.

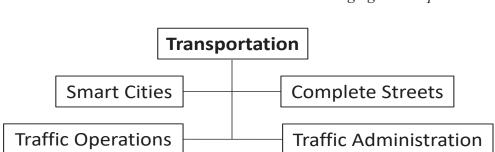

Description:

The Chattanooga Department of Transportation (CDOT) is a steward of the transportation network that supports our community's priorities: public safety, stronger neighborhoods, economic and community development and fiscal responsibility. CDOT emphasizes transparency and collaboration with the community and provides effective services at the best value. A major facet of our department strategy is to provide facilities that encourage multiple uses of our transportation network allowing for driving, biking, walking and riding transit.

To support those priorities, CDOT plans, designs, constructs and maintains the city's transportation infrastructure to offer modal choice for residents and visitors.

Chattanooga's transportation infrastructure includes:

- 2,302 Lane miles
- 56,355 Traffic Signs
- 106 Bicycle Facility miles
- 30 Greenway miles
- 1 Protected Lane mile
- 34 Bike Lane miles
- 39 Bike Route miles
- 26,528 Street Lights
- 335 Signalized Intersections
- 1 Tunnel
- 490 Sidewalk miles
- 80 Bridges

Goals & Objectives:

1. Safer Streets:

- Analyze CDOT's network for traffic safety and efficiency: Design signal timing, pavement marking, signage, with adherence to Chattanooga Codes and Regulations, Federal Highway Administration (FHWA) Regulations and Guidance, American Association of State Highway and Transportation Officials (AASHTO) requirements and guidance, the Manual for Uniform Traffic Control Devices (MUTCD) and the National Association of City Transportation Officials (NACTO) Urban Street Design Guide.
- Maintain CDOT's traffic control assets: Signs, pavement markings, traffic signal maintenance and construction, manage 311 requests and service requests.

2. High Performing Government:

- Implement excellent project development from capital planning and programming to construction: collaborate with other departments, stakeholders, citizens and adhere to schedules and budgets.
- Interact with public:

• Review of private development projects to protect the public right-of-way (ROW) and efficiency of the network such as the inclusion of multi-modal accommodation, congruence with long-range planning and vision, and day-to-day traffic engineering impacts.

• Review citizen requests for improvements and suggestions to traffic conditions, such as neighborhood traffic management, maintenance of our street and traffic network, such as street light, traffic light, pavement marking, signage, paving and other conditions of our streets and sidewalks.

• Review and approve Special Event Permits, Temporary Use Permits and Abandonment and Franchise Agreements in the ROW.

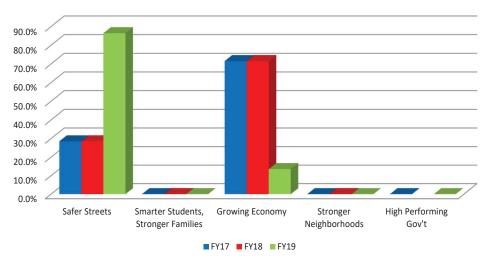

3. Growing Economy:

 Lead the capital planning process for CDOT projects with a focus toward maximum return on investment, long-term durability, low maintenance costs and efficient use of tax payer dollars: Guide long range planning efforts, manage Local Area Project Agreements with TDOT, lead collaboration with other departments to prioritize projects

DEBT SERVICE

The Debt Service Fund was established to account for all principal and interest payments on the City's general long-term debt. This fund is accounted for using the modified accrual method of accounting. The long-term debt is composed of City of Chattanooga General Obligation Bonds, Notes Payable, and Capital Leases. A majority of the outstanding debt is general obligation bonds. The debt can be either Direct Indebtedness, in which case an operating transfer is made from the General Fund for the maturity payments, or it can be an Indirect Indebtedness, with the supporting fund transferring funds for the maturities. The following chart shows the history of the City's debt over the past seven years and the relationship between Direct and Indirect Indebtedness.

Gross outstanding indebtedness as of June 30, 2018 is \$421,599,947. This amount includes a 30-year Chattanooga Downtown Redevelopment Lease Rental Revenue Bonds of \$90,930,000 with final payment due on October 1, 2030. Total authorized unissued debt from the State of Tennessee Revolving Loan Fund for sewer infrastructure improvements is \$62,730,716. Total authorized unissued General Obligation debt is \$13,815,647.

The City government is authorized by the City Charter to issue bonds. Title 6, Chapter V, Article I, Section 6.107 of the Charter creates this authority and at the same time creates a debt limit.

Sec.6.107. General Debt Limit. Hereafter no bonds shall be issued by the City of Chattanooga in such an aggregate amount as will create or increase the total bonded indebtedness of said City more than ten percent (10%) of the assessed valuation for the preceding year of all taxable property in said City.

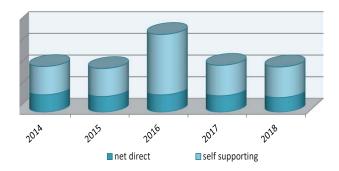

The chart to your right shows the debt limit for the past seven years, based upon the assessed property valuation for the same period of time. After viewing the debt limits imposed by the City Charter when considering the assessed property valuation, the next chart presented compares the Net Direct Indebtedness with the 10% Debt Limit.

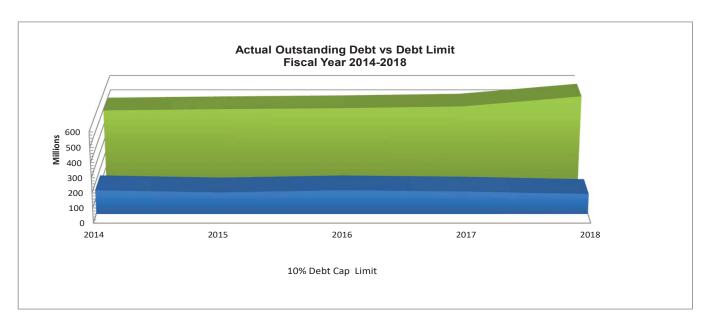

The Net Direct Indebtedness is the Gross Indebtedness less the Self-Supporting Indebtedness and the Debt Service Fund Balance for each year. As is evidenced by the following chart, the City's Net Legal Debt Margin is very favorable.

Debt Service Fund

Fiscal Year Ending June 30, 2019

Outstanding Debt Fiscal Year 2014-2018

In October 2000, the City entered into a 30-year noncancelable capital lease agreement with the Chattanooga Downtown Redevelopment Corporation (CDRC), formerly the Southside Redevelopment Corporation, for the purpose of financing the cost of designing, acquiring, constructing and equipping four (4) facilities in the Tourist Development Zone comprising of more than 631,210 sq. ft. at a cost of over \$120M. The lease provides for semiannual payments in amounts sufficient to meet the annual debt service requirements on \$129M in revenue bonds issued by the Industrial Development Board (IDB) of the City of Chattanooga on behalf of the CDRC, a non-profit corporation. IDB bonds are secured by payments to be made by the CDRC. The lease payments are funded by the city's share from the 1/4% increase in the county-wide sales tax passed by the county-wide referendum (see overlapping debt schedule), income from The Chattanoogan, state incremental sales tax generated in the Tourist Development Zone and interest income from a debt service fund in excess of \$9M included as part of the bond issue. The City's obligation under the Lease rental agreement is estimated at \$90,930,000 at June 30, 2018. The debt service reserve fund held by the fiscal agent at June 30, 2018 is \$9,938,566. The fiscal agent is required by the agreement to apply any interest on the debt service reserve fund toward the lease payments. The debt service reserve fund will be used to retire debt near the end of the lease.

In 2004 the CDRC entered into a swaption contract to provide an upfront payment of \$3,088,000 based on a notional amount of \$59,655,000. As a synthetic refunding of its 2000 bonds, this payment represents the risk-adjusted, present-value savings of a refunding in October 2010 without issuing refunding bonds currently. The counterparty has the option to exercise the agreement on October 1, 2010. The fixed rate swap (5.45%) was set at a rate that, when added to an assumption for remarketing and liquidity costs, will approximate the coupons of the "refunded" bonds. The counterparty exercised the option and the underlying bonds were refunded resulting in a termination payment of \$15,619,000.

In FY10, the City issued \$6,725,000 General Obligation Bonds, Series 2010A for funding Mesh Network project at \$1,500,000, Fire capital projects at \$3,188,945, ESIP Railway Lines at \$1,308,677 and \$375,000 of other projects. City also issued \$34,265,000 General Obligation Refunding Bonds, Series 2010B which refunded \$27,900,000 of 2002 Hotel-Motel Tax pledge and \$4,440,000 of 2003 GO bonds. In addition to that, City issued 2010C series Recovery Zone Facility Bonds in the amount of \$6,840,000, used entirely for local commitment to Volkswagen.

In FY12, the City issued \$26,495,000 General Obligation Bonds, Series 2011A for funding Mesh Network project at \$2,000,000, Fire capital projects at \$1,735,000, Parks & Recreation projects at \$2,964,950, ESIP Railway Lines at \$3,450,000, ESIP Intersection at \$1,660,000, other Public Works infrastructure projects at \$8,713,553, \$4,000,000 for Fleet replacement, \$700,000 to renovate the Community Theatre and \$2,460,000 of other various projects.The City also issued \$17,545,000 General Obligation Refunding Bonds, Series 2011B

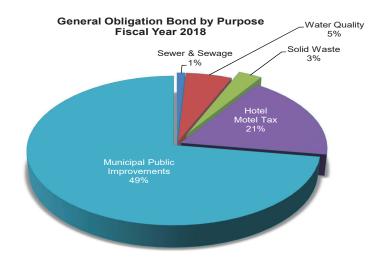

Series which refunded \$16,320,000 of 2002 Hotel-Motel Tax pledge and \$2,040,000 of 2003A GO bonds. Also in FY12, the City entered into a loan agreement with the State of TN Department of Environment and Conservation for an amount up to \$20,000,000 from the State Revolving Loan Fund. This loan is for sewer projects related to upgrades & expansion of the Moccasin Bend Waste Water Treatment Plant. The loan has an interest rate of 2.0% with repayment over 20 years.

In FY13, The City entered into a loan agreement with the State of TN Department of Environment and Conservation for an amount up to \$33,100,000 from the State Revolving Loan Fund. This loan is for sewer projects related to upgrades & expansion of the Moccasin Bend Waste Water Treatment Plant. The loan has an interest rate of 1.23% with repayment over 20 years.

In FY14, the City entered into a loan agreement with the State of TN Department of Environment and Conservation for an amount up to \$66,800,000 from the State Revolving Loan Fund. The loan is for sewer projects related to upgrades and expansion of the Moccasin Bend Waste Water Treatment Plant. The loan has an interest rate of 1.67% with repayment over 20 years. The city also issued \$32,020,000 General Obligation Bonds, Series 2013 for FY13 and FY14 capital projects approved by council. This included technology infrastructure upgrades and software at \$1,801,750; Firing Range for \$900,000; Road improvements and infrastructures for \$15,484,964, Hixson recreation center and other public facility improvements for \$10,684,000 and \$5,656,000 for Water Quality improvements.

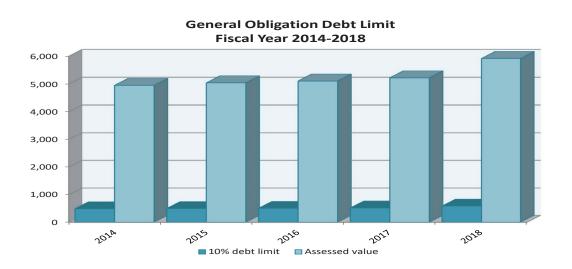

In FY15, the City issued \$25,925,000 General Obligation Refunding Bonds, Series 2014A to provide funds to refund \$13,545,000 General Obligation Refunding Bonds, Series 2005A maturing on September 1, 2018 through September 1, 2019, and \$13,200,000 General Obligation Bonds, Series 2006A maturing November 1, 2017 through November 1, 2026.

In FY16, the City entered into a loan agreement with the State of TN Department of Environment and Conservation for an amount up to \$42,500,000 from the State Revolving Loan Fund. The loan is for sewer projects related to upgrades and expansion of the Moccasin Bend Waste Water Treatment Plant. The loan has an interest rate of 1.29% with repayment over 20 years. The city also issued \$36,345,000 General Obligation Bonds, Series 2015 for FY15 and FY16 capital projects approved by council. This included technology infrastructure upgrades and software at \$4,665,805, fire infrastructure and equipment improvements for \$5,362,000; Road improvements and infrastructures for \$12,751,169, Miller Park, Bell Park and other public facility improvements for \$6,142,000, \$3,800,000 park development, \$4,000,000 for a new Family Justice Center and \$9,500,000 for Water Quality improvements.

In FY17, the City entered into a \$5,977,735 5 year capital lease agreement with Motorola for the purchase of communication radios. The city also issued \$8,200,000 General Obligation Bonds, Series 2017A for FY17 capital projects approved by council. This included \$1,000,000 Fire Apparatus replacement; \$6,000,000 new Avondale Youth and Family Development Recreation Center Road improvements and infrastructures for \$,448,000 and other public facility improvements for \$2,000,000. The City also issued \$15,410,000 General Obligation Refunding Bonds Series, 2017B to partially refund the 2007A issue.

In FY18, the City entered into an equipment lease-purchase agreement to finance golf carts for the municipal golf courses totaling \$346,000. The city also entered into an equipment lease-purchase agreement to finance conductive electronic weapons (tasers) for the Chattanooga Police Department totaling \$625,799. \$421,599,947 Gross Outstanding Indebtedness of the City of Chattanooga as of June 30, 2018 reflects the financing decisions being made by the City to meet its long-term goals. On page 199 the pie chart shows the City is concentrating on Municipal Public Improvements Bonds to satisfy the needs generated by these goals. All of the Sewer portion of the debt and 32% of the debt for Municipal Public Improvements is self supported debt.

The City is in an excellent position to issue additional debt if required for future projects. The operating transfer from the General Fund to pay the non-supported portion of the debt has remained fairly constant for the past eight years, as reflected in the chart below.

In FY 2014, the General Fund appropriated \$17,668,872, this included estimated debt service for upcoming bond issue for FY2013 and FY2014 capital projects.

In FY 2015, the General Fund appropriated \$17,485,009 which included funding for current outstanding debt. The FY 2015 capital budget included the use of bonds for projects totaling \$17,821,617.

In FY 2016, the General Fund appropriated \$19,204,000 which included funding for current outstanding debt. The capital budget reduced to \$17,504,272 for planned use of \$1,699,728 from the Debt Service fund balance. The FY 2016 capital budget included the use of bonds for projects totaling \$12,299,357.

In FY2017, the General Fund appropriated \$20,514,537 which included funding for current outstanding debt. The FY2017 capital budget included the use of bonds for projects totaling \$9,477,732. The city is planning to sold bonds in 2017 to fund the FY2018 capital projects.

In FY2018, the General Fund appropriated \$22,434,479 which included funding for current outstanding debt. The FY2018 capital budget included the use of bonds for projects totaling \$6,450,000.

In FY2019, the General Fund appropriated \$23,487,712 which includes funding for current outstanding debt. The FY2019 capital budget included the use of bonds for projects totaling \$7,365,647. The City of Chattanooga plans to sell bonds in the coming year to fund the FY2018 and FY2019 capital endeavors.

Overlapping Debt

In addition to the City, the County has the power to issue debt and to levy taxes or cause taxes to be levied on taxable property in the City. As of June 30, 2018, the County had gross outstanding general obligation bonded debt of \$349,308,178. The percentage of County net indebtedness applicable to the City is 58.5864% or \$204,647,086. Also included in this section on Debt Service are schedules on Debt Ratios as of June 30, 2018, Historical Debt Ratios, and an analysis of General Obligation Debt as of June 30, 2018.

Future Capital Financing

Each year the City develops and formally adopts a long range, five year capital improvement program (CIP). Annually, as part of the CIP process, the City departments are asked to review and prioritize their capital needs for the next five years. The capital projects for the first fiscal year of the five year CIP form the basis of the capital budget for that fiscal year. When the capital budget projects are finalized for the fiscal year, those projects are formally adopted by the City Council. The capital budget is funded each year from a variety of sources including debt proceeds, City appropriations, and Federal and State aid. Since departmental needs often change over time, the CIP is considered preliminary and subject to change until a capital budget is formally adopted by the City Council for a given fiscal year.

Introduction

The FY 2019-2023 Capital Improvement Plan (CIP) shows the City of Chattanooga's five-year plan for physical improvements throughout Chattanooga, as well as internal projects that improve the provision of services to residents. The first year of the CIP is the fiscally-constrained capital budget, whereas the successive years are a roadmap for future action. Funding for capital projects—defined as projects costing more than \$25,000 and with a useful life of greater than one year—is requested annually by departments alongside the BFO process. Capital requests are reviewed and collaboratively prioritized by the 17 members of the CIP Committee, an interdisciplinary team of department administrators and designees. The CIP process encourages strategic thinking about the City's current and future capital needs and priorities, and requires collaboration and focus in order to reach a fiscally sustainable program of projects. The below strategies represent highlights of the next five years.

FY 2019 Highlights – Capital Budget

- Complete cleanup of Lupton City's former mill site, improving quality of life for Lupton City residents
- Rehabilitation and enhancement of the Walnut Street Bridge to preserve for future generations
- Continued significant funding -- \$6,000,000-- for paving and major road/bridge repair
- Creation of a Neighborhood Reinvestment Fund to make targeted investments in neighborhood infrastructure and commercial areas
- Creation of an Affordable Housing Trust Fund to aid the creation of affordable and workforce housing throughout Chattanooga
- Funding to complete the South Chickamauga Creek Greenway, a 12-mile greenway corridor linking East Ridge to the Riverwalk through multiple Chattanooga neighborhoods
- Improvements to Washington Hills YFD Center to help create opportunities for learning and engagement in Washington Hills neighborhood
- Significant investment in replacement of fire apparatus
- Transportation focus on connectivity and improving system safety and efficiency
- Upgrades to fund new laptops, self-service kiosks and charging stations at all 18 YFD Centers.

FY 2020-2023 Highlights – Roadmap for Future Action

- Continued funding of existing infrastructure, facilities, and equipment vital to service delivery and citizen experience
- Addition of new parks and greenways to continue efforts to connect all of Chattanoogato outdoor opportunities
- Ongoing public improvements to leverage private investment around the airport, on the 3rd/4th Street corridor, in the Innovation District, and in the South Broad neighborhood.
- Continued funding of CARTA's capital needs
- Continued annual funding of major renovations or expansions of YFD Centers to continue modernizing these community hubs as places for students and families to learn and grow

Governmental Projects

The below projects are funded through a combination of governmental funds such as City tax revenues, grants, general obligation bonds, and internal service funds. Project descriptions are included for FY 2019 projects, and a list of future year projects are shown at the end of each results area.

Growing Economy

3rd / 4th Street Infrastructure

This project will transform the 3rd and 4th Street area from Georgia Ave. to Hampton St. into a wellconnected grid of 2-way streets with at-grade intersections, and will change Riverfront Parkway from a high speed highway into an urban boulevard with calmed traffic and pedestrian/bicycle facilities.

Impact on Operations: Reduces operating, Ongoing, \$0-\$50,000. Replaces old infrastructure with new requiring less recurring maintenance.

8th Street Shared Space

This project is complete. The budgetary ask is to correct the budget authority and account for the grant agreement with a private 3rd party. Details of the project include 8th Street from Pine to Chestnut will be converted from a curb and gutter street to a shared space with pavers across the width of the right-of-way, and traffic calming effects that will make traversing the street safe for people walking and biking. The project is in response to mixed-use development plans designed to revitalize this corner of downtown.

Airport District Master Plan

As the Chattanooga Metropolitan Airport continues to break records in commercial air traffic, smart growth land use planning will help to ensure that the area in the vicinity of the airport will be able to safely and effectively accommodate the needs of future airport tenants and users as well as nearby businesses and residents. By laying the ground work for complementary land uses, an airport area master plan will instill confidence in private investors, ensure that public capital projects advance airport growth, and curtail any potential negative side effects that would arise out of such growth (noise, traffic, safety).

CARTA Technology Projects

Through work with an ITS consultant, CARTA has completed a comprehensive planning report giving background information on Mobility as a Service (MaaS) and an analysis of what companies are currently operating in the marketplace. The report also outlined a phased approach to achieving CARTA's larger MaaS vision. Phase I was identified as transitioning CARTA's existing Dial-A-Ride neighborhood routes into microtransit routes, utilizing real-time scheduling as well as a mobile ticketing component for CARTA's services. During the time that the planning report was completed, CARTA received unsolicited proposals for a low-cost mictrotransit deployment pilot project that would test the real time scheduling component of the identified Phase I projects. CARTA has awarded a pilot partnership that will take place over the next 12 months. CARTA has requested funding through TDOT's IMPROVE Act grant for its Mobility as a Service Phase I project, which includes the implementation of mobile ticketing for CARTA's services, a microtransit technology project outside of the pilot period, and integration of microtransit and mobile ticketing with the city of Chattanooga's Advanced Traffic Management System (ATMS). The IMPROVE Act grant program has a 75% state funds/25% local funds match. The IMPROVE Act projects are a part of this line item and the vehicles/equipment project. This project also includes the purchase of computers and other administrative hardware (printers, monitors, etc.) to replace machines that are past their useful life. These projects are part of CARTA's capital projects funded by the Federal Transit Administration at 80%, with 10% historically coming from the City of Chattanooga and 10% coming from TDOT.

CARTA Vehicles/Equipment Projects

This project is for the replacement of five electric shuttle vehicles and the purchase of five smaller cutaway vehicles for use in CARTA's mictrotransit/neighborhood service. This particular application includes a federal share of 61%, with 29% coming from TDOT Multimodal Resources and 10% requested from the city of Chattanooga. CARTA has also applied for funding under TDOT's IMPROVE Act grant program for the purchase of smaller vehicles to be used for CARTA's Phase I Mobility as a Service program (microtransit vehicles). The IMPROVE Act grant program has a 75% state funds/25% local funds match. Microtransit vehicles are typically 12-15 passenger vehicles. Please see attached PowerPoint from CARTA's microtransit partner for a picture of an example vehicle. These vehicles typically have a useful life of 7 years. CARTA intends to purchase low floor microtransit vehicles in order to ease the boarding of customers, including wheelchair passengers, as well as provide a smoother riding experience. Replacement of these vehicles will ensure that CARTA continues to provide efficient, cost-effective service to the public. In addition to vehicle replacements, this project also includes the purchase of security cameras and shop equipment for use within CARTA's system. These projects are funded through CARTA's Federal Transit Administration Section 5307/5339 formula funds that are also matched by TDOT.

East Lake Park Improvements

East Lake Park was the first park in Chattanooga built in 1896. This historic park features a lake, playground, pavilion, and trail. While the park hasn't received any significant improvements over the past 30 years, the Water Quality Division is currently partnering with the Lyndhurst Foundation to make \$800k worth of enhancements to improve the pond. Through this project, several park recommendations were made from the community. We seek to implement such improvements to increase the vitality of the park. The project was funded \$500K in FY18, however this is insufficient funds to cover all the elements requested from the Community. In order to finish the enhancements OCOS is requesting additional funds to add a boat launch, interactive signs and trail re-design.

Greenway Farm Conference Center Replacement

Design phase funded in FY18, these funds will be used for construction of the new facility. Original request was \$500,000. The Greenway Farm conference center was originally a residence for the property owner but is being used for rental and office space. The current building has severe structural damage due to the foundation failing and environmental concerns such as mold and asbestos. The large wood deck shows signs of rot and wear. The anticipated repair costs just to make the facility safe for use are estimated to be very high. These facilities are used on a weekly basis by rental parties, community groups, and staff from several departments. The most practical direction is to demolish the existing building and construct a new one in a more suitable location farther from the creek. The new building would be modern, simple, durable and efficient and would be designed to support current activities and additional programming. An April 2016 cost estimate for repairs to foundation, mold/asbestos abatement, and interior repairs totaled \$228,792, which does not include site drainage work that should be performed to relieve pressure on foundation.

Heritage Park Playground

Typically, this capital fund has been used for playground replacements/improvements, park building & restroom improvements/additions, and field & related facility work needed at Youth Association complexes around town. For FY19, the priority for this fund will be focus on Heritage Park. Heritage Park is a well-used park in a densely populated part of the City with very few options for parks. While Heritage Park is a large park, it serves a larger area of citizen than it can sometime handle. Because of the amount of daily activity and age, it is highly recommended that the playground be replaced at this location. With that being said, the City has already been approached by outside partners including Playcore/Gametime about doing a fully inclusive playground project similar to what was recently built at Warner Park. Due to the size and scope of this playground, several other items and amenities should be addressed at this project. There is an expectation of external funds to become available to make this project come to fruition.

Roadway Base Failure (P20216)

This project will allow the department to respond to major base failures throughout the City and will be used in coordination with the repaving funding from local capital. The scope of the project to be addressed with this project will be for a capital on-call contractor to address and not something to be fixed by operating crew. The earlier a base failure can be repaired, the better for the asset so the problem does not further deteriorate.

South Chattanooga Creek Greenway

The City currently has a contract with BrightBridge to manage a Brownfield Agreement, to develop plans to install a cap over a linear contaminated site adjacent to the Chattanooga Creek between Workman Road and 38th Street in the Alton Park area of the City. This site has also previously been identified on the TPL map for future Greenways. Once the cap is placed a new greenway can be developed. Currently the City has an agreement with Wright Brothers Construction to stockpile clean soil material at the 36th Street Landfill in anticipation of using this material to provide the necessary cover material.

South Chickamauga Greenway Connector – Youngstown

This project is in the FY 2017 - 2020 Transportation Improvement Program (TIP), a regional plan that programs federal funds received in the City. CDOT received a federal grant for project implementation (SCHICKGREENWAY). Along with the South Chickamauga Greenway Connector at Caine and Shallowford, this extension completes the greenway connection from Camp Jordan to the Tennessee Riverwalk. The total cost for this project is \$1.62 million. The FY 2019 budget request will complete the needed funds for implementation.

Sterchi Farm Redevelopment Phase I Remainder

Due to funding constraints this project has been broken into two phases, Phase I includes the pavilion, the Adventure Trail, restrooms, parking and access area and boat ramp. While this TPL lead project has received funding from Benwood, Lyndhurst and NPRA/ Disney grant in order to complete Phase I, OCOS is requesting additional funds for: Demolition of existing paving, Grading/Erosion and Sediment Control, Concrete Paving, Gravel Paving, Bioretention, River Buffer Invasive Removal and Site Planting. The Sterchi Farm Park and Trailhead project is an enhancement of what was originally slated to be a standard Public Works bathroom facility. While the project was broken into two phases due to funding constraints, additional funds will be required to complete Phase I.

Accela Cloud Upgrade for Treasury Office

Accela is the software used for permitting and licensing of business entities. The Treasury office is on an old server platform, and does not connect directly with the Land Development Office cloud platform. This offer will allow our systems to be on the same platform to ensure a seamless process between the Treasury and LDO office. This will also allow an easier process for citizens to apply for licenses, and allow IT to eliminate another old server.

Building Energy Efficiency Upgrades

Under the Better Buildings Challenge, the City agreed to lower overall energy use by 20%. In partnership with EPB and TVA current City facilities will replace existing incandescent and fluorescent light fixtures with new LED lighting. This technology provides equal or greater light levels at a lower level of energy use, reducing both energy costs and long-term maintenance cost. One initial program element was TVA-provided Rebates for the energy reduction. Existing fixture inventory at all 61 sites will be completed in the near future. The first package for City Hall Campus will be sent to TVA for approval with additional packages for the YFD centers. TVA rebates require the project be completed prior to June 30, 2018. In December 2017 TVA announced the program is cancelled by TVA. This affects the FY18 5-year capital plan. To maximize the rebates, we request the FY20 request of \$300K be brought forward to FY19, and a FY18 budget amendment be made to allow us to proceed with Re-Lamping all of the fixtures at all 61 sites prior to this new cutoff date.

CDOT need to replace many of its fleet and has created a 7-year plan to do so. In FY 2018, CDOT will replace a defunct bucket truck. In FY 2019, CDOT is requesting \$480K to replace one 18-year old crew truck, one 19-year old crew truck, one 24-year old basket truck and one 12-year old sign truck. FY 20: \$400K to replace the two remaining bucket trucks and two pick-up trucks. FY 21: \$350K to replace one car, forklift, F550 and a basket truck. FY 22: \$230K to replace a SUV and a digger machine. FY 23: \$235K to replace a car, SUV and a sign truck. FY 24: replace the paint machine. City Buildings & YFD Centers Major Maintenance

In FY18 \$1.6M was set aside to begin moving from a reactive mode to Facility Management for facility systematic improvements and replacements, such as HVAC and roofing systems. The majority of these funds were dedicated to YFD facilities. Currently we have programmed to replace \$1.45M in new roofs and HVAC systems and plan to have these funds encumbered by the end of May 2018. \$250K will also be allocated to Heritage House repair. The remaining 10% we are holding back to address any emergency repairs that may arise in the second half of the year.

Cloud Software as a Service (SaaS)

Maintenance

The City's ERP software is old technology not keeping pace with user expectations. SaaS will improve processing quality and efficiencies in the areas of Planning & Budgeting, General Ledger, Purchasing, Projects Grants management, Time & Labor, Accounts Payable, Fixed Assets and Cash Management while improving business processes, incorporating best practices, and quality user experiences. All applications are mobile-enabled and provide key performance indicators, dashboards, predictive analytics. This project includes phase one of a multi-year SaaS implementation. Embedded process improvements include document storage, automation, enhanced workflow and social collaboration. Our current accounts payable process is labor intensive and cumbersome. Processes improvements include but are not limited to the following: Upgrade existing modules to latest version of software with automatic updates as available Automatic matching of invoices to purchase order, and/or receipts leaving the only exception for manual processing for payment. Automate additions of capital projects to fixed assets Improved workflow for all processes Mobile-enabled applications provide key performance indicators, dashboards, predictive analytics. Replaces 3 Recycle/Garbage Automated Trucks at a \$250,000 each cost. It is in the best interest of the City to make a final purchase from the contract established for this type vehicle before said contract expires to replace existing units that have exceeded useful life. This purchase allows the City to operate in the safest manor possible for our staff and citizens. These newly purchased vehicles will then be entered into the Fleet Lease Vehicle Program to ensure their replacement once they extinguish useful life. Other funds and grants are currently being pursued for HHW improvements and future grant applications will be initiated for an up to \$100,000 request to apply towards a vehicle.

Golf Course Maintenance Equipment Replacement

Several capital improvements are needed at both City golf courses. The last major capital improvement was greens renovation 4-5 years ago. Golf cart paths are over 25 years old and several have been damaged over time and some no longer exist do to past construction projects. New paths are a very prominent and visible sign that operator is concerned about course conditions, safety and the damage caused to golf carts by worn out, broken paths. In 2014, the range shed at Brown Acres caught fire and burned to the ground. The shed needs to be rebuilt and replace the ball dispenser. Washing and dispensing of range balls are performed all in one self-service location. The range at Brown Acres generates approximately \$15,000 per year in revenue. Lastly, IT has mandated that Golf no longer can use aging computer equipment with outdated software for security reasons which will cause issues with software used for operations software including online tee time reservation system. Currently a new software is being investigated but funds are needed for that software plus new hardware to operate on.

Grants Management Technology

This project is for a general budget for intergovernmental use among all departments and divisions City-wide for grants management technology. A grants management technology software will be purchased, implemented, and training will be provided to appropriate City employees on use. The goal of a grants management technology software is to provide a central database that can be updated and maintained by City grant research professionals. A central database that is easily accessible and able to generate reports creates open much-needed lines of communication among various City departments, helps staff prepare for annual audits, and have continuity of operations in place when there is staff or administration turnover. Centralized information will also allow for the Grants Specialist to notify key administrators and City Council representatives of grant awards and important information.

YFD Technology Upgrades

The City of Chattanooga operates 18 neighborhood Youth and Family Development Centers. Each of these centers serve youth, teens, adults, families, and senior citizens with a variety of classes and lifelong learning, sports and wellness programs, enrichment and social activities. Computer labs at these locations are often utilized to pay bills, perform job searches, complete homework, access the Reading program and many other activities to enrich the lives of citizens across the City. The purpose of this request is to fund new laptops, self-service kiosks and charging stations for the YFD computer labs and to add security cameras to these locations.

CFD Apparatus Replacement Plan

While the Chattanooga Fire Department (CFD) works hard to prevent fire, it remains prepared to respond to and mitigate all emergency incidents 24/7/365. In support of the mission of the CFD, this Capital offer seeks to fund the replacement of multiple fire apparatus per the CFD's Apparatus Replacement Plan. The department's apparatus are aging and consistent replacement is vital to continue providing basic life-saving and property-conserving operations. Without working fire apparatus and equipment, firefighters can do little to perform the duties. The replacement plan replaces frontline apparatus, moving them to reserve status. Last year, the department was able to replace a large quint apparatus, but unable to fund the other engine apparatus requested. Our reserve fleet is dangerously low of viable apparatus because the replacement plan has not been fully funded through the years. So, there is desperate need to fund this Capital offer so that the department does not fall further behind. With the funding requested, it is possible to purchase and replace the last of the department's 1998 engine apparatus and two water tenders (also referred to as tankers), one of which is a 1974 Ford, and the other a 1979 GMC.

Hazardous Materials Monitoring and Detection Equipment Replacement

This project provides capital funding to replace obsolete hazardous materials monitoring equipment. Many of the hazards that firefighters and citizens face are not necessarily detectable with our eyes or noses. The fire department uses a wide range of hazardous materials monitoring and detection equipment. These tools have been exactly what was needed to keep first responders and the public safe from the hazards that were present, but undetectable by human senses. In addition, one of these monitors is specifically designed to detect potential hazardous environments for large attended events, such as Riverbend, IronMan, and Head of the Hooch.

Hydraulic Equipment Replacement ("Jaws of Life")

This project provides capital funding to replace hydraulic extrication equipment, often referred to as the "jaws of life" on each of the city's five squad units. Squads are engine-pumper apparatus strategically located all over the city. These units have additional equipment to perform rescue, extrication, and hazardous materials response. Some of the tools that are in service are no longer capable of receiving maintenance from the manufacturer because of the age. Parts are no longer available for other pieces of equipment that have become obsolete. This project is critical for the safety of our citizens.

In-Car Cameras

This is a continuation of a previously approved offer to add and/or replace older in-car cameras for Chattanooga Police vehicles. A portion of this project will be used to upgrade the entire fleet to maintain technological continuity between the Body Worn Cameras and In-Car Cameras. Additionally, funding this project in its entirety will significantly reduce the amount of city managed data servers used to maintain our current In-Car Camera solution.

Interview Rooms

This project will allow for a comprehensive overhaul of both hardware and software related to law enforcement interview rooms used by Chattanooga Police Officers. This offer would bring the five current interview rooms at the Police Service Center, Service Center Annex, City Hall Annex (for Internal Affairs) up-to-date, and add 1 interview room for Investigators at the Family Justice Center. We have had significant issues with the functionality of our current equipment, and have missed several videotaped interviews of violent subjects. Investigators currently have to use a handheld audio recorder in order to ensure the interview is actually recorded successfully. Additionally, this offer includes video enhancement software to assist investigators in reviewing 3rd party video evidence during criminal investigations. The company we are contracted to purchase this from will update our hardware every three years, or sooner if a new model comes available, without additional costs. The storage for this comes with this package for no additional costs.

Station 15 Replacement

The Chattanooga Fire Department (CFD) is requesting Capital funds to replace Station 15 that serves the Eastdale and Brainerd communities. Constructed in 1966, the structure has had multiple problems with drainage, asbestos features, multiple leaks in the roof, cracks in the concrete, infrastructure deterioration, air conditioning issues (which has produced mold and mildew), and other issues creating the potential for safety and health issues. Due to many of these problems, the fire crew stationed here was required to move to and respond from another fire hall for a few months last year. Enough repairs were made to move the fire crew back in, but a new station will be needed soon. This is the next community fire station in the CFD's Station Replacement Plan.

In coordination with EPB, demand-side load management technologies will be employed to more closely match real-time operational energy demand with the solar generation and battery storage of energy. Based on preliminary design from MBWWTP's consultant, Jacobs Engineering, and modeling from EPB, the plant has the capacity to generate over 30% of its average consumption through these technologies.

HUMAN RESOURCES ADMINISTRATION hattanooga's number one priority is to provide the most effective and efficient services to the citizens. Our human resource program is designed to provide one with challenging and rewarding opportunities and a chance to build a career and future.

The City's compensation package includes: salaries, major medical health insurance, life insurance, social security, retirement plans, deferred compensation plans, worker's compensation (on the job injuries), leave, unused leave pay, leave buyback and unemployment benefits.

Salaries. Salaried and hourly employees are paid on a weekly or biweekly basis, dependent upon position. Employee salaries and fringe benefits represent 57.4% of the total FY 2019 operating budget.

FY19 Operating Budget

All non-exempt employees under the Fair Labor Standards Act are paid overtime for hours in excess of their standard work period. Certain paid holidays and paid leave are included as time worked for the purpose of determining overtime eligibility. Employees may elect, within limits, to accrue premium compensatory time in lieu of overtime. Employees, with some exceptions, are paid on a biweekly basis regardless of their standard work period. Some employees are paid on a weekly

Human Resources

payroll, which has been closed to new employees. Employees are paid a full pay period behind. The only time leave is counted as time worked is in the week of a holiday.

Health Insurance. Chattanooga offers a group health insurance plan to all full-time employees. As of 7/1/2012, employees are eligible for coverage beginning the first day of the month following 31 days of active employment with the option to choose from 2 network plans, Network P or Network S. Currently, the City of Chattanooga contracts with BlueCross BlueShield of Tennessee (BCBST) for employee health coverage. The City offers a \$15 per month discount for being tobacco free. Rates shown are before the discount. As of 7/1/18, the monthly premium for Network P by City employees with an individual policy is \$112.16 per month, employee + child(ren) \$207 per month, employee + spouse \$241.08 per month and family \$342.64 per month. The monthly contribution by City employees for the High Deductible Health Plan with an individual policy is \$30.00 per month, employee + child(ren) \$40.00 per month, employee + spouse \$50.00 per month and family \$60.00 per month. The City also contributes a monthly amount into the employee's health savings account.

Network S is a regional BCBST network with hospitals and providers throughout the entire state of Tennessee and in surrounding areas. Premiums for Network S are discounted. As of 7/1/18, the monthly contribution for Network S by employees with an individual policy is \$91.92 per month, employee + child(ren) \$169.68 per month, employee + spouse \$197.64 per month and family \$280.92 per month. The average monthly contribution by City employees for the Network P High Deductible Health Plan with an individual policy is \$41.84 per month, employee + child(ren) \$83.72 per month, employee + spouse \$94.72 per month and family \$139.40 per month. The City also contributes a monthly amount into the employee's health savings account. The Network S High Deductible Health Plan average monthly contributions by City employees are as follows: individual 33.56, employee + child(ren) 67.20, employee + spouse \$76.04, and family \$111.84.

As an elective, City employees have the option of selecting a vision plan. The monthly contribution for vision by City employees with an individual policy is \$5.52 per month, employee + child(ren) \$11.32 per month, employee + spouse \$10.80 per month and family \$16.08 per month.

The City also offers an elective dental plan with options of either a preferred PPO plan or an HMO plan. The monthly contribution for the PPO dental plan by City employees with an individual policy is \$23.20 per month, employee + child(ren) \$43.64 per month, employee + spouce \$53.40 per month, and family \$73.96 per month. The monthly contribution for the HMO dental plan by City employees with an individual policy is \$11.96 per month, employee + child(ren) \$19.36 per month, employee + spouse \$19.36 per month, and family \$29.48 per month.

City employees, retirees and their dependents who are covered under the City's health plan are eligible to utilize health providers and services at the City's on-site WellAdvantage clinic. Primary health clinic visits are offered free with no co-pays and selected prescription drugs are available for clinic participants through the City's on-site WellAdvantage Pharmacy. Utilization of the City's on-site clinics and pharmacy (which opened in 2008) has resulted in a reduction of the costs that the City pays for its pharmacy claims. Job injury claims have reduced as well as services have been brought "in-house." All employees are encouraged to participate in the City's WellAdvantage Wellness Program which consists of the on-site clinic and pharmacy, a fitness center and an employee wellness incentive program. In February 2013, a new Wellness Center that combined our clinics, fitness center and pharmacy opened.

In FY 2019, the employee's Major Medical Health and Hospitalization group plan estimated revenue cost as \$46,992,077. Appropriations for this time period is \$46,992,077.

Other Post Employment Benefits. On July 6, 2010, Ordinance 12411 was passed changing the eligibility for health insurance and other benefits at retirement. Employees eligible for lifetime post-retirement medical benefits as of July 1, 2010, and firefighters or police officers hired on or before March 21, 1986, shall continue to be eligible for those benefits. Employees not eligible for lifetime post-retirement medical benefits as of July 1, 2010, shall be eligible for post-retirement medical benefits until they reach eligibility for Medicare. The spouses of such retirees may continue to receive medical benefits until they become eligible for Medicare. Dependent children may remain covered as long as they remain eligible under the insurance plan then in effect.

Life and Accidental Death and Dismembermemt Insurance. The City's group life and AD&D insurance policy, administered through UNUM provides a death benefit of 100% of the employee's annual salary up to a maximum of \$50,000. The cost of this life insurance benefit is \$0.14 per \$1,000 of salary. Employees eligible for this benefit are full time employees who have been employed with the City for six months.

Social Security (FICA). All City employees are enrolled under the Social Security Act, except for sworn Fire & Police personnel. The City contributes the employer 's share of 7.65% (6.20% Social Security and 1.45% Medicare) of earnings up to a maximum salary of \$117,000. Additionally, the Federal Insurance Program requires that an additional 1.45% be paid on all earnings. Deferred Compensation. The City offers a voluntary Deferred Compensation Plan for its employees to supplement the City-provided retirement plan. The City does not contribute to this plan. The four companies administering this benefit are Mass Mutual, ING, ICMA (International City/County Management Association) and Nationwide Retirement Solutions.

Long Term Disability Insurance (LTD). The City's LTD policy, administered through The Hartford, is offered in conjunction with the City's General Pension Plan. The City pays one half of the monthly premium at a rate of \$.24 per \$100 of covered salary. This benefit is offered to employees who have worked full time for six months.

Personal Leave. Personal leave is a combination of annual, sick and holiday leave into one paid leave system. Employees cannot accrue personal leave while receiving payments under the injured on duty program.

The City observes nine (9) paid holidays throughout its fiscal year. Holidays included are as followed:

New Year's Day Martin Luther King's Birthday Good Friday Memorial Day Independence Day Labor Day Thanksgiving Day Day After Thanksgiving Christmas Day

The City Council may also designate other special holidays.

The accrual period is on a bi-weekly basis. The accrual rate was changed adding 5 additional personal leave days.

Employees completing ten or seventeen years of employment shall earn Personal Leave at the new rate after working one full two week accrual period after his/her anniversary date. The maximum number of Personal Leave days that can be carried over from one accrual year to the next is 100. Every employee shall be eligible to carry over at the end of February (12 months beginning March 1st) no more than ten days (100 maximum) of personal leave in addition to his/ her personal leave days carried over from the previous accumulation year. Any leave that is required to be taken, but not used, shall be deducted at the end of the respective leave year in which such leave was required to be taken.

Special Leaves with pay include: Reservists leave of absence, Court attendance, meetings to attend professional and technical institutions, or conferences, that are job-related and may contribute to the effectiveness of the employee's services, and educational leave less than 14 days (if longer than fourteen days must be approved by the City Council).

Unused Leave Pay. Upon retirement, unused personal leave shall be paid in cash, at the daily rate of pay of the employee, not to exceed the maximum allowed.

Upon retirement because of disability, the employee is required to use their personal leave balance prior to beginning disability benefits.

Upon separation for reasons other than retirement, unused personal leave is paid, in cash, at the employee's daily rate of pay, not to exceed the maximum allowed.

Leave Buyback. Upon application by an employee, the City of Chattanooga may purchase back from its employees personal leave which they have accrued, but only under the following circumstances and conditions which must be agreed to by each employee seeking to sell the leave:

- No more than sixty (60) days of leave will be purchased from any employee during his/her lifetime;
- The City will pay to the employee seventy percent (70%) of the employees daily salary for each day of leave sold back to the City by the employee;
- The employee agrees in writing that the cap on the amount of days that employee is entitled to accumulate over his/her career will be reduced on a day-for-day basis for the number of days the City is purchasing;
- The city will not purchase any days which would lower the employees total accumulated leave below thirty (30) days;

- The practice of buying back leave will be subject to the availability of funds to do so at the time of the request, the determination of which availability will be at the sole discretion of the city administration; and
- Funds realized by employees from the sale of leave will be excluded from pensioneligible earnings.

Glossary

Accrual Basis - A basis of accounting in which transactions are recognized at the time they are incurred, as opposed to when cash is received or spent.

Activity- Departmental efforts or organizational unit for performing a specific function which contribute to the achievement of a specific set of program objectives.

Ad Valorem Taxes - Commonly referred to as property taxes, are levied on both real and personal property according to the property's valuation and the tax rate.

Allot- To divide an appropriation into amounts which may be encumbered or expended during an allotment period.

Annualize - Taking changes that occurred mid-year and calculating their cost for a full year, for the purpose of preparing an annual budget.

Annual Budget - An estimate of expenditures for specific purposes during the fiscal year (July 1 - June 30) and the proposed means (estimated revenues) for financing those activities.

Appropriation - A legal authorization to incur obligations and to make expenditures for specific purposes.

ARC - Annual Required Contribution; the amount an employer must contribute annually to a defined benefit pension fund, based on an actuarial formula, to fund current and future retirement benefits and liabilities.

Assessed Valuation - The valuation set upon real estate and certain personal property by the Assessor as a basis for levying property taxes. Property Values for Chattanooga are established by Hamilton County.

Assessment Ratio - The ratio at which the tax rate is applied to the tax base.

Asset - Resources owned or held by a government which have monetary value.

ATE - Automated Traffic Enforcement

Attrition - A method of achieving a reduction in personnel by not refilling the positions vacated through resignation, reassignment, transfer, retirement, or means other than layoffs.

Authorized Positions - Employee positions, which are authorized in the adopted budget, to be filled during the year.

Available (Undesignated) Fund Balance - This refers to the funds remaining from the prior year which are available for appropriation and expenditure in the current year.

Balanced Budget - Management of the financial plan with the objective of ensuring that expenditures do not exceed revenues.

Base Budget - Cost of continuing the existing levels of service in the current budget year.

Bond - A long-term I.O.U. of promise to pay. It is a promise to repay a specified amount of money (the face amount of the bond) on a particular date (the maturity date). Bonds are primarily used to finance capital projects. The most common types of bonds are general obligation, revenue bonds, and special improvement district bonds.

B - C

Bond Rating Agencies - Companies that assess the creditworthiness of both debt securities and their issuers.
