

Personnel Administration

Chattanooga's number one priority is to provide the most effective and efficient services to the citizens. Our program is designed to provide one with challenging and rewarding opportunities and a chance to build a career and future.

The City's compensation package includes: *salaries, major medical health insurance, life insurance, social security, retirement plans, deferred compensation plans, worker's compensation (on the job injuries), leave, unused leave pay, leave buyback and unemployment benefits.*

Salaries. Salaried and hourly employees are paid on a weekly or biweekly basis, dependent upon position. Employee salaries and fringe benefits represent 56.44% of the total FY 2011 operating budget.

On July 20, 2010, Ordinance 12414 was passed modifying overtime pay, compensatory leave and personal leave accrual. All non-exempt employees are required to work their standard workweek or work period before they are eligible for overtime pay or premium compensatory leave. Non-exempt employees shall be able to elect to receive premium compensatory leave in lieu of overtime pay. Overtime compensation and premium compensatory time shall be paid or granted by the City as required by the Fair Labor Standards Act and shall be paid or earned at one-half times the employee's regular rate for hours worked over the established workweek or work period. Any paid time off shall not be used to calculate the total hours worked in determining overtime pay or premium compensatory leave during the workweek or work period.

In FY 2007, a pay-behind system was instituted where employees are paid one full pay period after the time is worked. This allows the city better use of computerized controls and brings the city into better compliance with

the federal Fair Labor Standards Act.

Health Insurance. Chattanooga offers major medical health and hospitalization group plans to all full-time employees. Coverage begins on the first day of the first month coincident with or immediately following completion of 90 days of active employment. Currently, the City of Chattanooga contracts with Blue Cross Blue Shield for employee medical coverage. The average monthly contribution by City employees with an individual policy will be \$75.28 per month, employee + child \$135.47 per month, employee + spouse \$157.92 per month and family \$225.71 per month. Health Savings Accounts are available to city employees at no cost to the employee. The City also contributes a monthly amount into the employee's account.

In FY 2011, employee's Major Medical Health and Hospitalization group plan cost will amount to \$29,448,481, with another \$1,750,000 projected to be spent on job injuries. City employees, retirees and their dependents who are covered under the City's health plan are eligible to utilize health providers and services at one of the City's two on-site WellAdvantage clinics. Primary health clinic visits are offered free with no co-pays and selected prescription drugs are available for clinic participants through the City's on-site WellAdvantage Pharmacy. Utilization of the City's on-site clinics and pharmacy (which opened in 12/08) has resulted in a reduction of the costs that the City pays for its medical claims. Job injury claims have reduced as well as services have been brought "in-house." All employees are encouraged to participate in the City's WellAdvantage Wellness Program which consists of the on-site clinics and pharmacy, a fitness center as well as an employee wellness incentive program.

Other Post Employment Benefits. On July 6, 2010, Ordinance 12411 was passed changing the eligibility for health insurance and other benefits at retirement. Employees eligible for post-retirement medical benefits as of July 1, 2010, and firefighters or police officers hired on or before March 21, 1986, shall continue to be eligible for medical benefits. Employees not eligible for post-retirement medical benefits as of July 1, 2010, shall be eligible for post-retirement medical benefits until they reach eligibility for Medicare. The surviving spouses of such retirees may continue to receive medical benefits until they become eligible for Medicare and surviving dependent children so long as they remain eligible under the insurance plan then in effect.

Life and Accidental Death and Dismemberment Insurance

The City's group life and AD&D insurance policy, administered through The Hartford, offers a death benefit of 100% of the employee's annual salary up to a maximum of \$50,000. For FY 2011, the cost of this life insurance benefit will be \$0.15 per \$1,000 of salary. Employees eligible for this benefit are full time employees who have been employed with the City for six months.

Social Security (FICA). All City employees are enrolled under the Social Security Act, except for sworn Fire & Police personnel. The City contributes the employer's share of 7.65% (6.20% Social Security and 1.45% Medicare) of earnings up to a maximum salary of \$106,800. Additionally, the Federal Insurance Program requires that an additional 1.45% be paid on all earnings.

Deferred Compensation. The City offers a voluntary Deferred Compensation Plan for its employees to supplement the City-provided retirement plan. The City does not contribute to this plan. The four companies administering this benefit are Hartford Life Insurance Company, ING, ICMA (International City/ County Management Association) and Nationwide Retirement Solutions.

Long Term Disability Insurance (LTD). The City's LTD policy, administered through The Hartford, is offered in conjunction with the City's general pension board. The City pays one half of the monthly premium at a rate of \$0.205 per \$100 of covered salary. This benefit is offered to employees who have worked full time for six months. The age limit (62) was removed.

Personal Leave. Personal leave is a combination of annual, sick and holiday leave into one paid leave system. Employees can not accrue personal leave while receiving payments under the injured on duty program.

The City observes nine (9) paid holidays throughout its fiscal year. Holidays included are as followed:

- New Year's Day
- Martin Luther King's Birthday
- Good Friday
- Memorial Day
- Independence Day

The City Council may also designate other special holidays.

The maximum number of Personal Leave days that can be carried over from one accrual year to the next is 100. Every employee shall be eligible to carry over at the end of February (12 months beginning March 1st) no more than ten days (100 maximum) of personal leave in addition to his/her personal leave days carried over from the previous accumulation year. Any leave that is required to be taken, but not used, shall be deducted at the end of the respective leave year in which such leave was required to be taken.

Special Leaves with pay include: Reservists leave of absence, Court attendance, meetings to attend professional and technical institutions, or conferences, that are job-related and may contribute to the effectiveness of the employee's services, and educational leave less than 14 days (if longer than fourteen days must be approved by the City Council).

Unused Leave Pay. Upon retirement, unused personal leave shall be paid in cash, at the daily rate of pay of the employee, not to exceed the maximum allowed.

Upon retirement because of disability, the employee is required to use their personal leave balance prior to beginning disability benefits.

Upon separation for reasons other than retirement, unused personal leave is paid, in cash, at the employee's daily rate of pay, not to exceed the maximum allowed.

Leave Buyback. Upon application of an employee, the City of Chattanooga may purchase back from its employees personal leave which they have accrued, but only under the following circumstances and conditions which must be agreed to by each employee seeking to sell the leave:

- No more than sixty (60) days of leave will be purchased from any employee during his/her lifetime;
- The City will pay to the employee seventy percent (70%) of the employees daily salary for each day of leave sold back to the City by the employee;
- The employee agrees in writing that the cap on the amount of days that

employee is entitled to accumulate over his/her career will be reduced on a day-for-day basis for the number of days the City is purchasing;

- The city will not purchase any days which would lower the employees total accumulated leave below thirty (30) days;
- The practice of buying back leave will be subject to the availability of funds to do so at the time of the request, the determination of which availability will be at the sole discretion of the city administration; and
- Funds realized by employees from the sale of leave will be excluded from pension-eligible earnings.

Personnel Changes

Fiscal Year 2008, the major personnel change was the implementation of a new pay plan. The plan was a result of an examination of all positions in the City.
